

come to the ORINDA Fiesta

Orinda Fiesta This Weekend Assures Lots of Gaiety, Lavish Color for All

This is the weekend all Orinda has been waiting for—Fiesta weekend is here!

Tomorrow and Sunday Orinda will be decked in its most colorful festival guise.

Orinda Fiesta Chairman Joe Creighton announces that booths will be set up tonight in readiness for tomorrow's fun which commences at 10 a. m. with "Young Orinda on Parade."

Food, drinks and games will be offered by more than 20 booths lining the streets of the Fiesta area. A merry-go-round, ferris wheel and other rides will attract youngsters to the gayety.

MUSIC AND DANCING will fill the main Orinda Fiesta platform tomorrow and Sunday afternoons from 2 to 5 during the Variety Shows.

Well-known to Orindans is the teen-age band, "The Orindans," which will play on both days.

Climax of tomorrow's Variety Show will be a be-bop dance contest at 4:30 p. m. directed by Doris and George Clifford.

All Orinda, Lafayette and Walnut Creek grammar school and high school couples are invited to enter. Prizes will be merchandise orders from Capwell's, Walnut Creek, and Grodins, Walnut Creek. Interested "boppers" may contact the Cliffords, CL 4-2237.

ONE OF FOUR Orinda beauties will be crowned Queen of the Fiesta tomorrow evening at 8.

Dancing under the stars to the music of Gordon Heche's band will wind up tomorrow's merriment.

SUNDAY'S FESTIVITIES will be initiated with a parade of bands, military units, old cars, horses and more at 12:30 p. m.

Sunday afternoon, the main stage will again be in the spotlight with a parade of Latin talent featuring tenor Jessie Mancillo.

Folk dancers from all over the county will dance in the street at 3 and at 4:30 p. m.

The Orinda Fiesta grand prize, a Ford Thunderbird, will be given away to some lucky person at 9 p. m.

MASTER OF CEREMONIES for

the Fiesta is Harold "Ole" Ohlever. Assisting General Chairman Joe Creighton, are:

Clarence Betz, budget; Rollin Moore, assisted by Chuck Blue and Gregg Englehard, parade; Ernie Poll, site; William Fleeger, booths and budget; Rudy Rasmussen, concessions and insurance.

George Eberhardt, insurance and commercial display booths; Paul Pollaczek, booths; Maynard Buehler, queens; Bob Oyle and Elaine Wilford, publicity; Joe Sheaff and Miles Sutliff, booths.

Doris Fernsten and Mary Gray, Art Show; Stan Allen and Marion Devin, program; Marge Cearich, tickets; Ruth Henry, souvenir programs, and Laura Cooper, secretary.

Other members of the Fiesta Committee are Mrs. Vernon Axelsson, Mrs. Ned DeLaveaga, Mrs. Stuart Henderson, Frank Shirey and Ernie Rahmeyer.

Orinda Plan's Second Hearing Set for May 24

The second official public hearing on the Orinda master plan will be held at 8 p. m. May 24 by the County Planning Commission at the County Administration Building, Pine and Escobar Streets, Martinez.

The master (or general) plan for Orinda was first unveiled January 31 at a meeting in the Orinda School auditorium.

Its first official hearing was held by the Planning Commission March 22. The May 24 hearing will be the second such hearing, as required by law.

Main recommendations presented in the plan included the planning staff's contention that the Pine Grove should be reserved for a community center.

New Dates Set For Inoculation Of Salk Vaccine

Contra Costa County health officials report complete confidence in the Salk anti-polio vaccine and today will send home new consent cards for parents to sign allowing their children to receive inoculations. Cards must be returned by Monday.

Dr. Beryl Graham of the county health department announced the following tentative dates for shots in Contra Costa.

Children having already received their first shots will receive the second shot May 24 and 25.

Next Thursday and Friday are days set for youngsters yet to receive their first inoculations. They will get their second shots June 24 and 25.

Despite recent statements of discontinuing the program, Dr. H. L. Blum, county health officer, pointed out that Contra Costa will continue to use Eli Lilly Company's product, with which 6000 shots were safely given. (See Dr. Blum's separate polo statement.)

The vaccine at present is being reappraised and tested under direction of the government. Parke-Davis's product has been definitely okay'd and Lilly's product is now being checked, Dr. Graham said.

"We think it is absolutely safe but it is as yet not official," Dr. Graham said.

ACCORDING TO Dr. Blum, sufficient supply of the vaccine from the Lilly company is on hand to complete all first shots in this county.

Approximately 6000 youngsters were vaccinated before the state program was halted. But there remain in the county some 11,000 first and second graders yet to receive the anti-polio serum.

Dr. Blum declared, "I could not and would not wish to stand in the way of anyone getting for their child what they have decided is worthwhile."

AS SOON AS the official word is given, the vaccine will be again available on the dates given above.

"The closing of school will not be a particular problem. The coming of polo season may be if it is a heavy year," Dr. Blum added.

Violich Report: 'Use Pine Grove for Civic Center'

By DUANE MEYERS
"Use of the Pine Grove site for a commercial administrative office building, no matter how well-designed, landscaped and controlled, is in conflict with community needs in Orinda, since such a use of this unique location would remove the possibility of necessary integration of community facilities needed by Orinda."

That is the conclusion reached by Francis Violich, acting head of the department of city and regional planning at the University of California.

VIOLICH PRESENTED his report on the Pine Grove to a joint meeting of the Orinda Association's board of directors and the Civic Affairs Committee last night at The SUN was going to press.

The meeting was held at Orinda School. Violich's report, entitled "Orinda at the Crossroads—An analysis of proposed land use in Central Orinda," was prepared at the request of the Orinda Association.

The Pine Grove controversy revolves around plans for use of the 10½-acre site by Pacific Intermountain Express Company, which contemplates a \$750,000 office building,

and recommendations by the Orinda Association's Planning Committee that the site be reserved for community facilities.

IN HIS SUMMARY and conclusions, Violich lists:

"1. Orinda's expected growth to 25,000 population, its established residential character, its strategic location in regard to present and major circulation routes, and its topographic character are factors making careful land use planning imperative."

"2. That portion of Orinda lying between the two ends of the Crossroads and Village Shopping Centers will feel the greatest pressure for the use of land due to its central location in Orinda, the shortage of buildable land and the facilities serving the community which are already there, or to be built."

"3. The present complex of existing schools, churches, stores and other community uses, as well as sites set aside for these purposes, forms an existing Town Center, an integral part of which is the Pine Grove Site."

"4. Land presently reserved for existing and future civic and community purposes in Central Orinda

Commission Studies Meadow Pool Bid

Meadow Pool's application for a land use permit was taken under advisement Tuesday night by the Planning Commission after arguments for and against the pool were heard.

The commissioners indicated they would like to visit the proposed site at Heather Lane and Valley Drive before making a decision, according to George Brenner, associate county planner.

ABOUT 150 PERSONS attended the hearing. Frank A. Leibold Jr., president of Meadow Pool, Incorporated, and the non-profit group's attorney, Carlisle Lane, appeared in behalf of the application.

Jack Buchter of 1 Heather Lane was the principal speaker against the plan.

Buchter presented petitions signed by 120 persons opposing the planned \$50,000 pool and recreation area on a 6-acre site.

Meadow Pool, Incorporated, presented a petition signed by 263 mothers in the Glorietta-Moraga Meadows Improvement Association areas. The petition asked favorable consideration for the pool on the grounds that the pool is necessary

for the recreation of children in the area.

OPPOSITION'S PRINCIPAL objection was to a "blind" intersection at Glorietta Boulevard and Heather Lane. They contended the intersection created a safety hazard. They also objected to traffic and noise conditions they said would arise from the pool.

Basil Andrews, traffic engineer for the County Public Works Department, told the commission of county plans for improvement of the intersection.

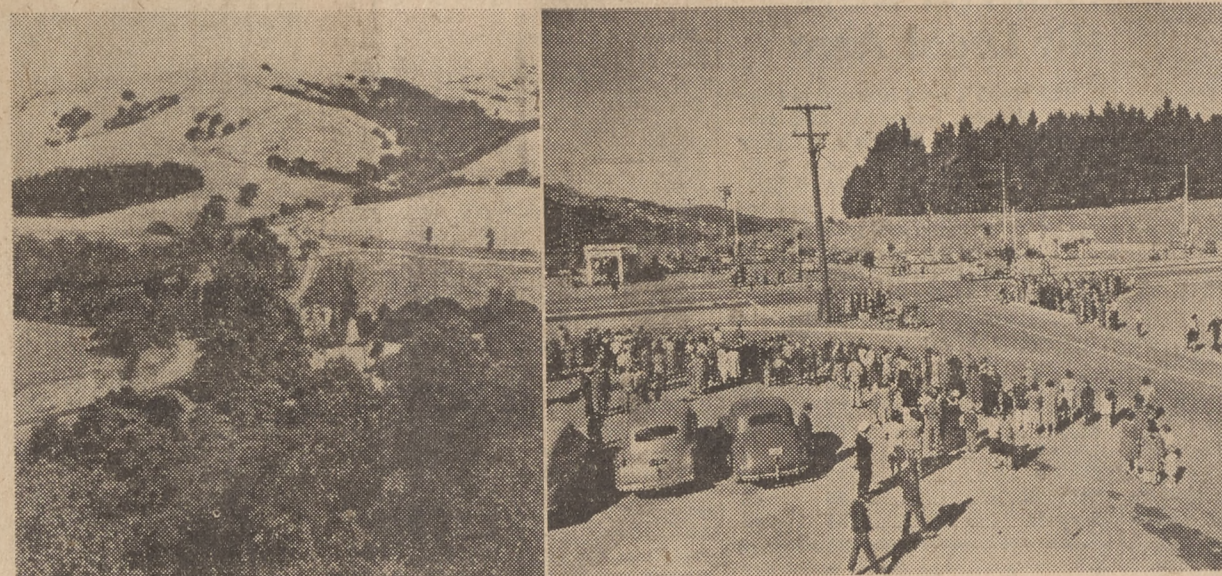

He said the county hoped to include the improvement work in next year's budget.

Leibold told the commission that his organization has allotted \$1000 for improvement of the intersection.

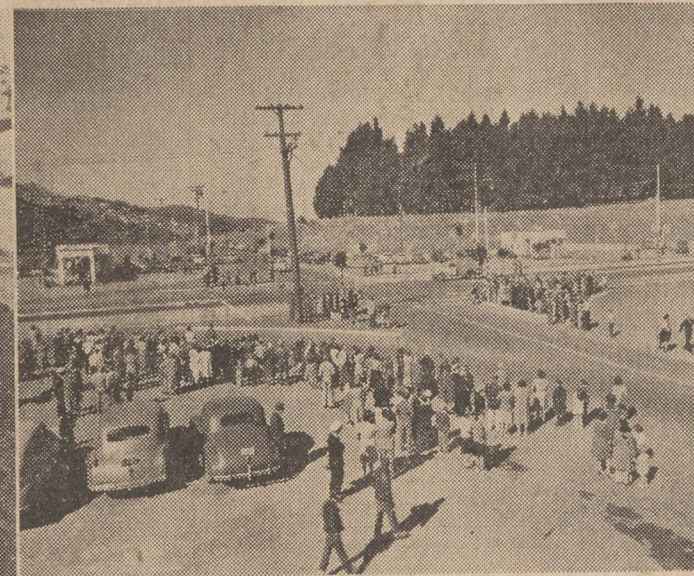

BEN OLSEN, PRESIDENT of the Glorietta Improvement Association, spoke in opposition.

If approved, the pool would serve some 250 families on a membership basis.

Brenner said the commission has not set a date for decision on the application.

Recall Petitions Circulated as Hot Dispute Continues

Proponents of the recall movement against Supervisor H. L. (Jack) Cummings this week claimed that the recall petitions are in heavy demand.

At the same time Cummings, supervisorial representative of the Second District and chairman of the county board, turned down an invitation of the recall group to address it, pointing out that he had been denied his request to speak at the May 2 public meeting at Acalanes High School where the recall campaign was launched.

(See other story on Cummings.)

OTHER DEVELOPMENTS on the "recall front" during the past week were:

1. Plans were being discussed for formation of an "Association for the Development and Progress of Contra Costa County," on behalf of the building and construction industry.

2. The name of the recall group was changed from the Citizens Committee for Better Government to Citizens for Representative Government.

IN A LETTER Tuesday to Joseph Zablocki, a leader of the recall group, Cummings stated:

"This will acknowledge your belated invitation to address the Citizens Committee for Better Government at a meeting to be arranged by you."

"As you know, I was present at your meeting on May 2 when a number of charges were made against me; and at which time you were instrumental in initiating petitions for a recall. The petitions are evidently still being circulated."

"YOU WILL REMEMBER that I requested an opportunity to be

Cummings Answers 7 Recall Charges

H. L. "Jack" Cummings, chairman of the board, released the following statement yesterday regarding charges made by a group of citizens seeking his recall.

(Note: Space in next week's SUN will be provided for the recall proponents to answer Mr. Cummings if they so desire.)

"Charges made against me at a May 2 Acalanes High School recall meeting lack substance and truth, they are most vague and distort facts."

"I WILL GO DIRECTLY to the 18,000 voters of the second supervisorial district with my response. And, I will not evade any complaint, either of district or county-wide significance."

"It is a service I owe the county. For some of the ill-advised statements that have been made by persons involved in this recall proceeding, are damaging to the county's good name and its government and can be damaging to county credit."

"In undemocratic, and even a dictatorial manner, I was refused an opportunity to speak to the 300 persons at the Acalanes meeting. Hence this statement in refutation of the vague, distorted and untrue complaints."

"THE TEXT OF THE recall petitions deals only in the broadest generalities. It was authored by a group of recent organization and tight leadership."

"I have not failed the county or the district, as charged; and I have not abused any trust. A scattergun loaded only with suspicion was leveled at me, affording me response only in general terms. They avoided particularization."

'Teenager' Sub Contest Really Rolls; Big Vote Period Ends Tomorrow Night

They're off! Those scores of boys and girls who have registered in The SUN's big "Teenager" prize subscription contest are out to win and earn!

Have you helped your favorite yet? Remember, vote values take a big drop after 6 o'clock tomorrow evening.

The "spot cash" paid to them each day in the form of commissions on both new and renewal subscriptions to The SUN comes in mighty handy—and all the while they are piling up votes toward truly magnificent awards which will be given away on May 27.

THESE PRIZES ARE TOPPED by a grand capital award of \$250 in cash, with a deluxe portable typewriter, sturdy bicycle, swanky portable radio, popular record player, complete camera outfit and quality wrist watches as supplementary prizes.

While both new and renewal subscriptions mean cash commissions and prize votes for the contestants, the new subscriptions are especially important, for they also count toward the weekly award of a 17-jewel wrist watch.

Mike Lobenberg of 3617 Bickertaff, Lafayette, entered very early in the race and his immediate industry was rewarded. For Monday he was wearing a handsome shock and water resistant wrist watch because he had turned in the highest number of new subscriptions for the week.

A SIMILAR AWARD will be presented next Monday to the boy or girl who has turned in the most new subscriptions by 6 o'clock tomorrow night, so that is due to be an important hour for the rest of them.

Mike is eliminated from competition for another weekly award, but says no one is going to beat him to first grand prize of \$250 cash on closing day.

However, several other early entries have made excellent showings and the latest entries are just as full of determination and possibilities for winning. Many areas have not yet been touched by these young salesmen, so it's still possible for any ambitious youngster at the bottom of the list to be at the top on May 27.

AMONG THE LATEST entrants are several Orinda live wires who say they are out to "cop" those seven grand awards.

But Lafayette youngsters are meeting the challenge and know that "Winners Never Quit" and "Quitters Never Win."

Who will be crowned king or queen and receive that coveted top award is anybody's guess.

IN MANY CASES this is probably their very first venture out in the business world.

Some may be insistent, others timid—but just watch their youthful faces light up with sincere appreciation if you, Mr. and Mrs. Reader, but bear with them and lend encouragement in a concrete way.

By yielding to their requests you can save money—win the genuine gratitude and lasting friendship of these little business men and women—and help them achieve a very worthwhile goal.

A complete list of those who were officially entered in the contest by Monday evening is shown elsewhere in this issue.

"Categorical treatment of the May 2 charges of the Committee for Better Government, develop these facts:

"1. **THE CEMETERY 'issue'**—There is no defense required for my vote for a county ordinance to provide for cemeteries. The original county ordinance omitted cemeteries. We rectified an omission. Cemeteries are necessary. Granting of one permit, to which objection was made, probably avoided a half-dozen controversies because several areas of the county need them."

"The ordinance covers the entire county. It was enacted by the unanimous vote of the Supervisors."

2. **"THE SAN RAMON** Valley sewerage line—In directing installation of a 36-inch sewerage line, the board of supervisors acted with engineering counsel, with the benefit of planning advice and with the admonition of the county health officer that a very critical situation exists in some sections."

"Sewerage programs have been defeated in the valley four times, largely because of counter proposals. People on each side admit the necessity that the health officer emphasizes."

"ONE WOMAN WHO circulated a petition against the sewerage program obtained 60 signatures. She later withdrew from a protesting group, saying she had learned of misrepresentation."

"Failure of the supervisors to act might well bring summary health department action with greater costs."

3. **THE ROBERT MULLOY** rock quarry—This permit was granted only after establishment of need of the product for development, after the county road commissioner had certified its adaptability to usage and after the county safety engineer had reported there would be no undue hazards."

"This latter consideration included the fact that "foreign" trucks bringing in a required product would be as undesirable as vehicles of local origin. A \$5,000 performance bond was required. This ordinance, too, was enacted with the unanimous vote of the Board of Supervisors."

4. **THE MORAGA PLANNING 'issue'**—There is nothing before the board of supervisors on this subject. It is still in the hands of the planning commission. The commission did submit a report, and it was referred back to the commission for further consideration."

"Claims that either I or the board of supervisors have denied opportunity to protest planning programs are untrue. This applies particularly to the Utah Construction Company's plans at Moraga."

"There is ample evidence that the final hearing on this project was announced for December 20, 1954. But, as new claims were advanced or old ones renewed, the protestants were given an additional four months. Much misinformation has been given the people."

5. **EVASION OF THE** pinball "issue"—There has been no evasion of an issue. The chief advocate of a county pinball ordinance has recorded a statement that "state law is sufficient."

6. **The Orinda 'issue'**—Hearings were accorded on every objection to zoning at Orinda Crossroads,

School Board Candidates State Views

Voters in the Orinda School District will elect two candidates to 3-year terms on the Orinda School Board next Friday. Four candidates are running. They are Mrs. Catherine Schwarck and Frank Cayting, incumbents, and Karl E. Schevill and Frank E. Shirey.

Each candidate was asked by The SUN, "What do you think can be done to improve our school system?" Here are their answers.

Frank Cayting

The question has been asked: How can we improve the schools? Having served for the past year as a member of the Orinda School Board and having two children in the Orinda schools, I feel that I can look at the question objectively.

In all community-wide endeavors the board needs the guidance and cooperation of the entire community. Regular attendance, with constructive suggestions by interested members of the school district, would be appreciated.

An active committee composed of teachers, board members and citizens should be organized to anticipate problems involving the

FRANK CAYTING

school district. I feel that such a group could do an outstanding job of the entire district. Problems involving land acquisition, school construction, summer programs, additional special personnel, advice on transportation and certainly many others could be discussed.

A strong, active community means a strong school district.

The administration of the school district is in capable hands. Plans for spreading the responsibilities of this are already in the formative stage.

All of these things may appeal to you but we must be ever-conscious of the cost. It is the duty of the board to give Orindans the best schools possible at the most reasonable cost.

This I pledge to work for. I ask you to allow me to serve you the next three years.

Karl Schevill

Residents and parents of Orinda have evidenced in recent years an increasing interest in the affairs of their schools.

This concern with the educational system is wholesome and essential if we are to meet the challenging problems imposed in the schools by the rapidly growing population in our residential community.

The school board must provide the community with leadership in the development of schools that will give our children optimum educational opportunities. To do so the board must represent the broadest cross-section of the community.

If I am elected, there will be added to the board the point of view

KARL E. SCHEVILL

of an educator. This will make for a more balanced approach towards most urgent educational needs.

Most urgent of the problems that now face us, I believe, are:

Anticipating the physical needs, including adequate classrooms, transportation, sites for new schools properly located, and making the best use of available funds.

Maintaining a high morale among the teaching staff, and making our school district a model that will attract the best qualified teachers.

Keeping the community informed of the actions of the school board, and encouraging discussion and participation in all affairs pertaining to the welfare of our school district.

Frank E. Shirey

I have been asked how I would improve our education system. This seemed like my cue to admit that by nature I am not a crusader and also to admit that I am not a specialist in any field.

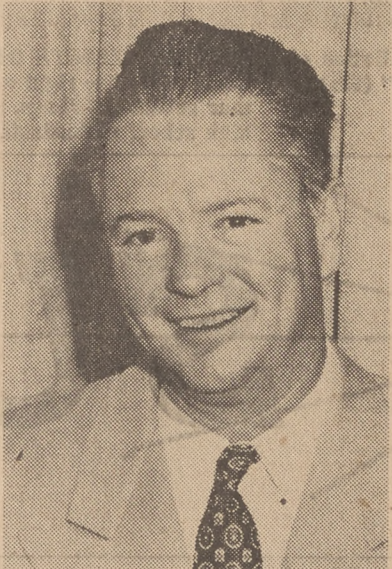

I have a sincere desire to serve my community on the Orinda School Board, and if elected, I would earnestly attempt to represent the viewpoint of the parents and taxpayers of this district.

Having made the admission that I am not a crusader, I probably

should backtrack to this extent: I do hold a very strong feeling that school affairs deserve greater attention than they sometimes receive. I believe every citizen in the district has the obligation to endeavor to learn as much about the candidates as possible and vote his convictions.

School board history in our community is pretty much the same as for all types of local boards in all communities. Incumbents run for reelection, and very often a pitifully small percentage of the eligible voters take the trouble to vote.

I certainly have no quarrel with the practice of returning a quali-

FRANK E. SHIREY

fied incumbent to office, but if he is returned I would like to see a large vote indicating a well-deserved endorsement.

As mentioned on previous occasions, I certainly feel we have been fortunate in Orinda in having been served by excellent school boards.

Under these circumstances I might well be questioned as to the wisdom of my campaign to broaden interest in school affairs, but it is my earnest conviction that we should be just as vigilant in reference to democratic processes on the local level as any other level.

If I am elected to the school board, it would be my hope that I would be able to serve the full length of my term. At the end of that time I would like to appraise my contribution to the effort and in the event I decided to seek another term, I would hope others would also seek the post.

Catherine Schwarck

The Board of Trustees has a two-fold challenge to meet in the Orinda School District — first, because of the above-average intelligence of the school children, which makes the great majority of them potential college material; and second, because of the marked interest in the schools of the people who live in the community.

I believe the board is constantly working to improve the schools — and thus meet the first part of this challenge — by continuing to employ only the very best teachers available; by continuing to do ev-

CATHERINE SCHWARCK

erything possible to maintain a high level of salaries and opportunities for these teachers; by continually re-evaluating and expanding our curriculum, as in the recently announced summer-school program and the additional opportunities for learning that will be offered at the Pine Grove School.

To meet the second part of the challenge, I believe the board should continue to promote good relations between the schools and the community. To help further this I shall, while a member of the board, always welcome comments, suggestions and your attendance at board meetings.

Hundreds Enjoy Choir Operetta

About 500 children and adults enjoyed seeing and hearing "Hansel and Gretel" as presented by the Junior Choir of the Orinda Community Church, the weekend of April 30, in the Orinda School Auditorium.

The operetta was sponsored by the Clippers and Shipmates Clubs of the church.

The 50 young performers were thrilled by the creative opportunities in this annual music-drama.

Proceeds from the production are to be turned over to the music committee of the Community Church to be used for the enhancement of what has come to be an intensively active musical program, according to church members.

First Hot Days Hit Local Area

The week's heat brought out the dark glasses, lemonade and perspiring brows. Orinda's weather was seen sitting on a cake of ice with a fan blasting at him.

The first very hot days of spring were preceded by moisture . . . rain in the amount of .8 of an inch fell, bringing the season's total to 23.57 inches.

Here are the "high" highs and not-so-low lows:

Teacher Salaries Boosted by Board

The salary schedule for Orinda School District teachers has been revised upward for the 1955-56 school year, after a special meeting on the schedule was held May 5 by the board of trustees.

According to Superintendent of Schools Joseph Sheaff, the basic, or minimum, salary was raised from \$3620 to \$3850 per year. The maximum was boosted from \$6020 to \$6130.

For teachers on the 10 other "steps" between the minimum and maximum, salaries will be increased by varying amounts. Sheaff said the schedule will give some teachers up to \$230 more per year.

Ted Boyce, eighth grade teacher at Orinda School, and Donald Wacks, seventh grade teacher at Orinda School, represented the teachers association at the meeting.

Previously, the association had asked for the schedule revision to ward what it termed a "professional salary schedule," without listing specific amounts, Sheaff said.

Sheaff added the board agreed it would study the schedule throughout the next school year with a view to "bringing Orinda's schedule in line with other districts."

The new schedule goes into effect July 1.

Demo Women to Hear 1956 Plans

"Program Patterns — Building for 1956" is the topic to be discussed by Mrs. Rhoda Warner next Thursday when she talks to the Democratic Women of Orinda.

Thursday's meeting, set for 8 p.m., will be held at the home of Mrs. Abraham Yedidia, 63 Ardilla Road. Mrs. Warner, leader in the California Federation of Democratic Women's Clubs, will outline women's activities for the 1956 elections.

THE ORINDA CLUB recently formed a study group which meets at 10 o'clock on the first and third Tuesday mornings of each month.

At next Tuesday's meeting, in the home of Mrs. Cecile Ambler, 220 El Toyonal, the group will consider legislative procedures in California and in the Democratic Party, and also the current status of the Bricker Amendment in Congress.

Leaders of the discussion will include Mrs. Ambler, and Mesdames Dorothy Barden, Charles Hanks and Leonard Roth.

Plans for the group's part in the Orinda Fiesta were completed this week, with Mrs. Jean Bottjer as representative on the Fiesta Committee. In addition to selling Fiesta ticket books, the women will be responsible for several booths.

NEXT MONDAY the local club will be represented by several of its members at two affairs honoring Katie Louchheim, director of women's activities for the Democratic National Committee.

Attending a luncheon at the Fairmont Hotel in San Francisco will be Mesdames Lillian Brothers, John Edwards, Charles Hanks, Forest Hill, Leonard Roth, Harold Walters and Paul Weber.

The group will later return to this side of the bay, where they will join with other members at a reception for Mrs. Louchheim at the Claremont Hotel in Berkeley from 3:30 to 6 o'clock.

Other Democratic women in the area wishing to attend either function may make reservations through Mrs. Edwards or Mrs. Roth.

Peter Isola Named As Firm's 'Veep'

Peter F. Isola of 7 La Bolsita is a vice-president of First Western Securities, Incorporated, a new firm which recently opened offices in the Broadway Building, Oakland.

The company will specialize in investment funds, but will also handle general securities.

Isola, 38, was named as vice-president of the new firm by Frederick Kracke, executive vice-president of the Contra Costa County Association of Contractors, said he expected to issue a statement in the near future regarding the new group.

A recent finance committee report stated:

"THERE EXISTS in Contra Costa County a present and growing need for a group of people whose apparent sole purpose is to slow, if not to stop, the con-

450 Kids Compete In Rotary Games

Some 450 youngsters took part in the Orinda Rotary Club's fifth annual Field Day for district students at Orinda School Saturday.

There was a tie for high points scored between two boys and two girls, the first time such an equality occurred in Field Day history, according to Frank Isola, in charge.

BOYS TIED FOR high points were David Dunning, fifth grade, Orinda School, and Dixon Farmer, eighth grade, Orinda School.

Girls tied for high points were Ann Curtis, fourth grade at Sleepy Hollow School, and Jane Lowman, eighth grade at Orinda School.

Those four athletes will have their names inscribed on a special plaque.

William Hester's eighth grade class at Orinda School took class honors for points scored. The class will take charge of a loving cup — the Herb Hauser trophy.

THE FOUR TOP individual point scorers, plus two representatives from Hester's class, were guests of the Orinda Rotary Club Wednesday noon.

The field events began Saturday at 10:15 a.m. and ended at 1:15 p.m., just in time to beat a heavy downpour of rain.

One hundred and 20 medals for the top three in each event will be presented tomorrow morning, following the children's parade of the Orinda Fiesta, by Frank Isola.

Here are the winners of the various events:

GIRLS — Fifty yard dash, fourth grade, Ann Curtis; sixth grade, Barbara Palatino. Sixth-five yard dash, seventh grade, Jane Lowman; eighth grade, Kathy Fitzgerald.

Standing broad jump, Ann Curtis; hop, step and jump, fifth grade, Ruth Owen; seventh grade, Frances Kyle; running, hop step and jump, eighth grade, Bonnie Miner.

Sack race, fourth grade, Nancy Baker; fifth grade, Linnet Trefz; potato race, seventh grade, Jane Lowman.

Softball throw (accuracy), sixth grade, Susan Krowke; BB shooting, sixth grade, Daria Radtke; BB shooting, eighth grade, Sandy Brown; relay, Ted Boyce's eighth grade, Orinda School, Marcia MacQuiddy, Freddie Lamb, Roxie Huntley and Jackie Conda.

BOYS — Fifty yard dash, fourth grade, Peter Fowler; fifth grade, David Dunning; sixth grade, Peter Yedidia; 75-yard dash, seventh grade, Gene Pinkley; eighth grade, Dixon Farmer.

Potato Race, fourth grade, Kerry Bado; Susan Krowke; BB shooting, eighth grade, Dixon Farmer; sack race, fourth grade, Peter Fowler; fifth grade, David Dunning; sixth grade, Lonnie Chapple; eighth grade, Dixon Farmer.

Softball throw, Kerry Davis, Jeff Knudsen and Frank Feldman; football throw, Jim Twomey and Gordon Hightower; football kick, Brad Olsen; standing broad jump, Jim Trumbly; running broad jump, Jasper Alara and Dixon Farmer; hop, step and jump, Gene Pinkley and David Dunning.

BB shooting, Jim Twomey and Milton Howe; eighth grade relay, William Hester's group. Doug Moorhead, Randy Young, David Puddy and Dixon Farmer.

Violich Says PIE Proposal Conflicts With Community Needs for Pine Grove

(Continued from Page 1)

is inadequate; use of the Pine Grove Site for public uses is essential in order to meet that need and to integrate naturally related community uses into the Town Center of Orinda.

"5. Use of the Pine Grove Site for a commercial administrative office building, however well-designed, landscaped and controlled, is in conflict with community needs for a precedent for similar unique location would remove the possibility of necessary integration of community facilities needed by Orinda.

"6. The re-zoning of the Pine Grove Site for a commercial administrative office building would constitute spot-zoning in that it would allow a use for a single ownership of land inconsistent with surrounding uses, without proven community need.

"7. Such a case of spot-zoning, regardless of size of parcel, would set a precedent for similar spot zones on nearby land in Central Orinda and elsewhere in the county as well.

"8. The people of Orinda should weigh carefully the basic objectives and principles involved as they relate to the gains for their community, and give serious consideration to the financial and legal steps which can be taken toward achieving these goals."

In his introduction, Violich explains the steps involved in preparation of the report.

The report divides into four sections, first discusses the Pine Grove site and its relation to the future

of Orinda, then discusses the concept of Civic and Community Center needs, and gives an analysis of PIE's proposal.

THE FOURTH SECTION was written by the Planning Committee, according to James Lupp, chairman, who said the committee had the assistance of Kenneth Decker, public administration analyst in the bureau of public administration at the University of California.

The fourth section discusses financial and legal aspects of the Pine Grove use, and outlines the problem of assessed valuation.

It declares:

"Based on presently available estimates, and using that of the Coro Foundation for utilities, Orinda's assessed valuation is distributed as follows: Residential — 70.4 per cent; utility — 28 per cent; commercial — 1.6 per cent.

"Orinda's present assessed valuation per capita of \$1580 is more than twice the level considered necessary to incorporate \$700."

REGARDING PIE's impact on the tax base, the section estimates PIE's tax payment would be "about \$17,000."

It points out, "This tax revenue would be spread proportionately not only to local districts but also to those taxing districts whose boundaries are larger than Orinda's. As a result, other taxpayers in the county would benefit by varying amounts, while the direct benefit to Orinda taxpayers would be only a portion of the total."

The County Assessor's office estimates that there would be only a negligible reduction in the average residential tax bill."

Expenses incurred by the community in servicing a development such as PIE's might possibly outweigh the tax gain, the section asserts. It lists a study taken in Greenwich, Conn., as an example for this assertion.

IT CONCLUDES, "The inclusion of an office-building development of the size proposed by PIE would have a limited effect on the assessed valuation of Orinda in the first years following its placement on the tax rolls, since it would probably be slightly over 1 per cent.

"In succeeding years, with the growth of Orinda's assessed valuation from all sources, the PIE valuation would decline further as a percentage of the total community valuation."

In listing ways Orinda could proceed to acquire the land and build a community center on it, Section IV names other communities with population in the Orinda bracket that have built community centers.

A suggestion is made that a Community Services District could be formed to develop and operate a community center. Using an estimate of \$150,000 for purchase of the land and \$50,000 for construction, the section says "part of this amount could be raised by a community campaign" but lists ways a bond issue could be floated to finance it.

"A loan of \$200,000 for 20 years should be obtainable at 3 per cent interest or less. Such a loan would involve annual repayment of \$13,150 for principal and interest.

"With its present population of 10,000, this would mean an annual cost of \$1.32 per capita . . . by 1975, with a population of 25,000 the cost would be 53 cents per capita."

heard in my own behalf, which I heard you denied with a statement to the effect that no one not in favor of a recall would be heard.

"Your body has continued to circulate petitions which indicates that you are not concerned with anything I have to say and, further, clearly indicates that you have prejudged this entire matter. No useful purpose would be served by my meeting."

"I want you to know Contra Costa County and its welfare mean a lot to me."

ACCORDING TO ZABLOCKI, all 1500 petition forms originally printed and distributed and additional petitions have been given out. Each form carries space for 14 signatures.

The county clerk's office has stated that 2434 valid signatures are required in order to effect a recall election.

POSSIBLE FORMATION of a new organization in the building and construction industry of the county revolves around criticism recently leveled against Cummings and other county officials in connection with handling of planning problems.

Lester Mullen, chairman of the proposed group's finance committee, said yesterday that the idea is "a proposal" and is still "in the talking stages."

Frederick Kracke, executive vice-president of the Contra Costa County Association of Contractors, said he expected to issue a statement in the near future regarding the new group.

A recent finance committee report stated:

"THERE EXISTS in Contra Costa County a present and growing need for a group of people whose apparent sole purpose is to slow, if not to stop, the con-

tinued growth of Contra Costa County. They are well organized and the results of their negative thinking have been most successful.

In contrast, the largest industry in Contra Costa County, the building and construction industry, with its many allied businesses, organized labor and all other positive thinking people interested in the continued growth of Contra Costa County has been completely unorganized.

"It is our hope to unite the efforts of all these groups into our organization, the 'Association for the Development and Progress of Contra Costa County'."

THE RECALL GROUP issued the following press release:

"Groups and individuals interested in the recall of Supervisor H. L. Cummings have consolidated to form an organization called 'Citizens for Representative Government.' This new organization has absorbed the 'Committee for Belter Government,' which formally initiated the recall action, and has on its steering committee representatives from all sections of Supervisorial District 2.

"Individuals requesting information on the activities and purpose of Citizens for Representative Government, those who want to circulate petitions, those wishing to contribute funds for the recall effort, etc., may contact the organization by addressing their correspondence to 'Citizens for Representative Government,' Post Office Box 221, Alameda, Calif."

Fire Zone Hearing Delayed to June 7

At request of Secretary Clarence Betz of the Orinda Fire Board, the County Board of Supervisors on Tuesday continued to 2:30 p.m. June 7 the matter of a proposed Fire Zone 1 for the Orinda mercantile area.

In a letter to the supervisors, Betz stated that another meeting of the Orinda Fire Board will be held next Thursday night at Fire Station 1 on Avenida de Orinda, with property owners and representatives of the Orinda Association to be present.

Purpose of this meeting, like that of one held May 5, will be to discuss further the idea of a Fire Zone 1 and to "try and arrive at a conclusion," Betz reported.

Betz' request coincided with a request from Lloyd C. Edwards of Crockett, chairman of the supervisors' fire chiefs committee, that further time be allowed his committee for study of the problem, which had been referred to the committee.

County Building Inspector Rudolph Krantz last week explained to the supervisors that Fire Zone 1 would require walls and ceiling of non-inflammable material.

"There is no such fire zone in the unincorporated portion of Contra Costa County," Krantz said yesterday.

Officers Search Area for Clue To Missing Girl

Law enforcement officers continue the search for missing Stephanie Bryan, 14-year-old daughter of Dr. and Mrs. Charles S. Bryan Jr., of Berkeley, with the main hunt concentrated on the hilly areas of Contra Costa County.

Stephanie, missing since April 28, was last seen after leaving a Wilbur Junior High School classmate and starting home alone through the grounds of the Hotel Claremont.

A MASS HUNT of officers, scout leaders and interested citizens was conducted Sunday from the Broadway Tunnel east to Orinda on both sides of Mt. Diablo Boulevard.

Contra Costa County Sheriff's officers joined Berkeley police and Alameda County officers in the search. The local deputies rendezvoused at the Orinda Fire Station.

One of Stephanie's textbooks was found on Franklin Canyon Road and turned in Monday. This prompted an intensive search of Briones Valley between the Franklin Canyon Highway and the built-up section of Orinda.

At least eight witnesses have reported seeing a man struggling with a young girl in a car a short time after Stephanie vanished. The witnesses said the mystery car was parked about one-half mile east of the Broadway Tunnel.

OFFICERS SURMISED the car could have reached the Franklin Canyon Highway by turning left on San Pablo Dam Road at the Crossroads and then taking one of several routes.

Besides the areas already mentioned as being scoured for clues to the girl's disappearance, men are also checking the Shepherd Canyon area of Moraga and the Lafayette hills.

The latest search was prompted by a report by Ralph Mutschler of 3503 Shangri-la Road, Lafayette, that someone had taken down a fence on his ranch and had used an old, abandoned car.

THE MISSING GIRL is described as being 5 feet 3 inches tall, 105 pounds, with brown hair cut about ear length, hazel eyes, large mouth with noticeable skin rash on upper lip, and dimples.

She was wearing a plain white orion slipover sweater under a blue and white striped shirt, a band around the neck; new turquoise blue perma-pleated skirt with black velvet slash forming the belt, tan and white saddle oxfords and white bobby Sox.

She may be wearing or carrying glasses with dark plastic frames. In addition to the French textbook found, she was also believed to be carrying three other books, "Two's Company," "Sue Barton," and a book on raising parakeets.

and, to all factions. In the final analysis, I was invited to two meetings from which there evolved satisfactory solutions. These solutions follow 22 years of success in meeting with my constituents and resolving any problem.

"7. THE APPOINTMENT of George Barkley as an assistant to the board of supervisors and the appointment of Thomas Heaton as county planning director. The complaints present nothing to defend. The appointments by the board are completely legal and the positions necessary.

"Mr. Joseph Zablocki was a registered voter in this county just 21 days when he directed the May 2 meeting. If he and his associates pursue the recall proceedings, I will be most happy to go before the people—before a responsible, democratic group.

"The charges, the tactics and the refusal to let me speak at what Mr. Zablocki billed as 'a democratic meeting' have brought protests and condemnations from many persons and the press of the county. Their charges, however, no matter how vague, generalized or distorted, will be met.

I am willing that my 22 years of service and accomplishment shall be weighed and judged."

A one-inch toy padlock is back out in the open, and five-year-old Edward Augustus Kitzmiller is on the mend.

Glorietta Assoc. To Elect Officers

Glorietta Improvement Association members will hold their annual business meeting and election of officers Tuesday night at Glorietta School all-purpose room.

Directors of the association extend invitations to all members and prospective members to attend.

The meeting is to be preceded by a pollack dinner at 7 p.m. Reservations and information concerning the dinner may be obtained by calling Mrs. C. R. Nelson, CL 4-5568.

Also on the agenda is a discussion of the Pine Grove. Representatives of Pacific Intermountain Express and the Orinda Planning Committee will be present.

Dr. Blum Expresses Confidence in Salk Vaccine, but Urges Caution

County Health Officer Dr. Henry Blum this week expressed confidence in the Salk anti-polio vaccine, but cautioned that there is a long and difficult road ahead before its use can be fully determined.

He stressed that the risk of even a bad batch of vaccine is small compared to the risk of naturally acquired polio in the 5-15 year age bracket, and probably through the ages of 1 to 30 years.

"The overwhelming majority of vaccine, nearly five million doses used so far, has been safe," he said. Dr. Blum said he had reached the following conclusions:

"IT MUST BE understood that polio can and will occur to many during the time they are being inoculated as it takes several weeks for the vaccine to become fully effective.

"It will occur in about the same proportion as it does in the rest of the population. This is no fault of the vaccine.

"It must be realized that even after all inoculations are completed that far from all cases are prevented. This is also no fault of the vaccine. Few vaccines give 100 per cent protection.

"THE HEALTH DEPARTMENT is continuing its planning for school inoculations of first and second graders. I could not and would not wish to stand in the way of anyone getting for their child what they have decided is worthwhile.

"I do want to be in a position of having helped parents in making up their mind by presenting intelligible information. Dates will be announced when the vaccine availability is assured.

"The closing of school will not be a particular problem. The coming of polio season may be if it is a heavy year."

DR. BLUM STATED that his department will continue to be opposed to vaccinations in schools, and once the present emergency is over, will definitely maintain independent clinics for those who cannot reasonably avail themselves of a private physician's services.

"The health department will continue to urge every one who possibly can to use their own doctor for any and all immunizations. In

this way the patient and doctor can come to a clear understanding of what is advisable on an individual basis. Moreover, the private physician keeps records of what each individual receives," he added.

"I feel that this message of general information can at best be a poor substitute for the family physician's advice," he said. "We hope that Contra Costans will understand how impossible it has been to keep them informed about things with which we ourselves have had no experience and on which we received no information except as the vaccinations proceeded and gave rise to the many developments we have discussed."

THE HEALTH OFFICER, in a lengthy statement, pointed out that neither he, nor anybody else, is sure how long immunity can be expected to last from the vaccination. He also did not believe anybody knows:

1. What the exact spacing should be between shots and boosters for best results.

2. What long-time hazards there may be from repeated use of the vaccine.

3. What safety tests should be done to be absolutely certain about each batch of vaccine.

4. Whether polio vaccine can be given safely during the polio season, particularly when it is a severe one.

DR. BLUM NOTED that in 1954 and 1955, in all but one manufacturer's vaccine, the inoculations were very free of reactions or inoculation polio.

"It seems clear to me that this one product contained living virus and caused polio both paralytic and non-paralytic," he said.

But Dr. Blum also noted that "the maximum risk, even from the worst batch of vaccine used so far in 1955, is about one-seventh that of naturally occurring polio in the 6-7 year old children in an average year in Contra Costa County."

"In our unusually high polio year of 1954, the risk associated with the worst batch of vaccine would have been about one-fifteenth that of naturally occurring polio."

"Outside the few bad batches the risk from the vaccine seems to be nil nationwide."

PH Rd. Commute Rate Case Will Get June Hearing

The question of commute rates for bus riders living near Pleasant Hill Road will be considered by the California Public Utilities Commission at a hearing scheduled for June 8 at 10 a.m. in San Francisco.

This information was contained in a letter received by the Contra

Costa County Commuters' Association from the PUC this week.

THE HEARING is being held as a result of a plea filed by the Commuters' Association in February on behalf of those commuters who must ride the Martinez-Berkeley bus and transfer at Alacanes Junction to an Oakland or San Francisco-bound bus.

"Commuters from Pleasant Hill Road who want commute rates set up for this area are urged to appear at the hearing," said Leroy W. Sowers, president of the Commuters' group.

He said that anyone who is able and willing to appear should first get in touch with him by writing him at P.O. Box 1003, Lafayette.

IN OTHER BUSINESS at their meeting Tuesday night, commuters announced the results of the traffic survey taken by them last month.

The survey showed there has been little change in the riding habits of commuters from this area since the Commuters' Association survey last year.

A slightly higher percentage of the commuters are from Orinda and Lafayette.

However, one third of all bus commuters are from Walnut Creek. Peak hour for arrival in San Francisco and Oakland is between 7:20 a.m. and 8:40 a.m. Approximately two thirds of the commuters travel to San Francisco, while the other one third work in Oakland.

Continued questioning of McMorro led to gavel banging by Roemer, who declared, "This man is not a witness to be cross-examined... this is not a courtroom."

WILLIAM O'CONNELL stated, "We envision a population that will eventually require a line of three times the capacity of this proposal."

The board closed the meeting. The directors then met Monday night, read the written protests and ordered the calling for bids on the line.

Bids are to be opened May 26, with work to begin early in June. Completion date is set for November.

The board asserted an assessment hearing is to be held later, at which time protests against inclusion in the district will be heard.

RAYMOND A. FISHER sat as acting president Monday night, in the absence of Roemer, who is out of town on business.

It seems a happy circumstance that a main trunk line may be put in place now, at such low cost, and at such a great saving to those who need it.

In saying those who need it, I include all who live or own property in (the district), bearing in mind that bacteria and disease do not confine themselves to their place of origin.

Others were C. R. Graff of Montair, a civil engineer and trustee on the San Ramon High School District board, W. D. Barton, Herman Sandkuhle, Donald Gray, Carl Geyer, Raymond Smith, John DiDonato, Dr. John Darby and Mrs. Winston Pettit.

Mrs. Pettit, of the Women's Planning Council, read a letter from the council's chairman, Mrs. Mildred Farrar, asking the district board to delay action on the sewer until further land use studies are made.

Declaring, "You are guessing," C. R. Graff told the board "no adequate" studies have been made as to future population growth in the valley.

HORSTKOTTE EXPLAINED the 36-inch line is estimated to serve some 16,000 homes. There are presently 3306 parcels in the proposed district.

Horstkotte also said the population estimates were based on "slope studies" made by O'Connell.

Directors told the audience that the board had no power to plan or zone and that the board was acting on requests of the health department.

Board President Irving Roemer told the protestors at the outset of the meeting:

"IT WOULD BE folly and a shameful waste of the taxpayers' money to install a small line where it is known that the demands of the immediate future are one of greater size."

"It seems a happy circumstance that a main trunk line may be put in place now, at such low cost, and at such a great saving to those who need it."

Doyle to Speak On State Bills At Public Meet

Bills which created stormy sessions in the present State Legislature will be discussed by Assemblyman Donald Doyle when he addresses a public meeting sponsored by the Contra Costa County Republican Assembly in the Alacanes High School library at 8 p.m. Tuesday.

Among the bills Doyle will discuss are his bill on mental health and Governor Knight's tax bill, which asks for increased taxes on horse racing and certain forms of liquor and tobacco.

The water fluoridation bill, sponsored by Doyle, and which was passed in the Assembly by a vote of 69 to 24, will be reviewed, as well as bills pending and passed on schools and education.

A question and answer period will follow his talk. Doyle will be introduced by Gertrude Walker, first vice-president of the local Republican Assembly and program chairman.

Jack Pedder, secretary of the Contra Costa County Republican Central Committee, will discuss the role of the Republican Assembly prior to Doyle's talk. The public is invited.

Zach Montgomery of Orinda was elected a director of the local assembly by his area at a meeting of the assembly directors Monday night.

Mrs. Raymond Van Tassel was elected director for the Alamo area. Ed Rowland headed the nominating committee.

Acalanes Candidates Answer Question

When voters of the Acalanes High School District go to the polls next Friday, they will elect two candidates to 3-year terms on the district board. On the ballot will be the names of William B. Freeman and Carl Newbury, incumbents, and Patrick F. Conway.

Each of these candidates was asked by THE SUN, "What do you think can be done to improve our school system?" Here are their answers.

William Freeman

In my opinion, these are the two most important factors in building for good schools. (1) Getting the best quality teachers, and (2) making them effective by preventing overcrowded classrooms.

In both respects I believe our high school district is above average, as borne out by students records at the universities.

Other important factors are: Active community interest and support; efficient, humane and enlight-

WILLIAM B. FREEMAN

ened administration; well-planned plant and facilities; good staff thinking and esprit de corps; and careful long-range financial planning.

Unfortunately, our district is being placed under a very severe financial strain by a period of extreme growth. Our immediate expected growth will more than fill a new school the size of Acalanes every three years.

The financial ability of the district will not grow nearly as fast. The utmost planning, skill and care will be required to prevent our high educational standards from being swamped under the flood of growth, complicated by our financial limitations.

I am interested in continuing to serve on the board so that I may do all that I can, together with my associates on the board, to protect

Carl Newbury

For betterment of schools, we need a continuation of the excellent cooperation and support that

CARL NEWBURY

the inhabitants of this area have consistently given the school board and the school administration.

We on the Acalanes High School District Board feel very grateful for the confidence and assistance granted us in the past.

Patrick Conway

Our problems in the Acalanes High School District are many, and careful selection of your trustees is most important.

The district is considering new

building sites, and loans are being considered for that purpose. School-rooms for your children will continue to be a problem in the future.

By comparison with Martinez and Pittsburg, we are a poor school district, financially.

By that I mean that those areas, with their taxable industries, are

PATRICK F. CONWAY

really financially able to expand their school systems without any great need to borrow.

If elected to the Acalanes High School District Board, I will serve you to the best of my ability.

Bands, Drill Teams, Drum Corps Will Participate in Orinda Fiesta Parade

A drum roll, clicking of heels and a "Forward March" will be the signal for bands, drill teams, drum corps, marchers and horses in the Orinda Fiesta parade to get under way at 12:30 p.m. Sunday, May 15.

Brigadier General Rollin Moore, parade chairman, states that the parade committee is proud to welcome several outstanding military units, including the California state champion drill team—the famous U.S. Naval Electronics School Drill Team.

This drill team from Treasure Island has held state championship honors for four consecutive years. The 20 men are all members of the Naval School of Electronics at T.I., and membership in the team is voluntary, although a high scholastic average must be maintained.

ONE OF SEVERAL military bands in the Fiesta Parade also hails from the Treasure Island Electronics School. Another marching band will be the 561st Air National Guard Band.

Not to be outdone by the Navy, the Marines, too, will be on hand for the parade in the form of the Marine Auxiliary Drill Team from Treasure Island.

Traditionally "Marine sharp," this team has won honors throughout Northern California.

LASTING ABOUT one hour, the parade will include the following units in this order: 561st Air National Guard Band, 144th Color Guard, Fiesta Queen in Ford Thunderbird, Old Packard Club escorting the Princesses, Moose Club of Oakland Drill Team, Women of the Moose Club Drill Team, Moose Club of San Francisco Drum Corps, Horseless Carriage Club, Fire Department, Boy Scouts, Naval Electronics School Drill Team, Naval Electronics School Band, Marine Auxiliary Drill Team, Orinda Rangers.

Commentator for the parade will be Jay Jacobus, sports announcer for Associated Oil and TV announcer for "Science in Action."

Many Gifts for Fiesta Queen, Court

Glory and gifts will be showered on the Orinda Fiesta Queen and her three Princesses.

Following the crowning of the Fiesta Queen, tomorrow evening, between 8 and 9 p.m., the Queen and her court will reign over the remainder of the weekend celebration.

Gifts, both edible and wearable, have been donated to the Fiesta Queen and the three runners-up.

There will be a dinner for the Queen and her escort at the Palace Hotel, San Francisco.

A \$50 merchandise order has been offered by Virginia Hammond's Dress Shop, Orinda, for the Queen.

Also for the Queen are \$10 merchandise orders, each, from Sally's Dress Shop, Orinda, and Ogden's Tween Togs, Orinda.

For each of the three Princesses, Virginia Hammond's Dress Shop has donated a \$15 merchandise order.

The Princesses will also be gifted with \$5 merchandise orders from Ogden's Tween Togs and Sally's Dress Shop.

Tobia's Jewelry Store, Orinda, will also be among the donors of gifts.

Latin Singers, Dancers Will Be At Orinda Fiesta

From South of the Border to the Orinda Fiesta, will come Latin singers, dancers and musicians.

A pageant of colorful entertainers in their native costumes will take over on the main stage of the Orinda Fiesta, Sunday afternoon.

Featured singer will be tenor Jessie Mancilla of Guadalajara, Mexico.

A student of voice for many years, Senor Mancilla won a contest over 60 other singers, earning him a year's contract as featured vocalist on the Coca Cola radio program in Mexico City.

After enjoying success in Mexico City for several years, Jessie decided to come to the United States to try his luck.

Now the Orinda area is privileged to introduce Senor Mancilla to the American public for the first time.

A well-known Orinda dancer, Maudie Hammond, will appear with Jose Rodriguez Berrez in a variety of Modern Latin American Dances, including tango, mambo, samba and rumba.

Mrs. Hammond has appeared as a dancer at the Copa Cabana, New York City, and in "New Faces."

Church to Honor The Morrows

Community Church members Wednesday will hold an appreciation program for the Rev. and Mrs. Fred Morrow, who will leave Orinda in June to take charge of a pastorate in Oroville.

The special Church Night dinner will begin at 6:30 p.m. and will be held in Fellowship Hall.

Dinner will be served by the Women's Guild. Reservations, at \$1 for adults and 75 cents for children, may be obtained by calling Helena Jacobsen, DR 6-8072, Barbara Wayne, CL 4-5576, or Martha Goebel, CL 4-3342.

According to Mrs. R. C. Hall, "Those who cannot attend the dinner are cordially invited to come at 7:30 for a most interesting program and a friendly hour of fellowship."

Introduction of new members will be followed by the appreciation program.

She now teaches dancing in Orinda.

Berrez is currently a Latin-American dance instructor at the Arthur Murray Dance Studio.

Orinda Has Held Other Fiesta Fetes — Egg Hunts, Signal Lights Were Reasons

Did you know that the Orinda Fiesta tradition is almost as old as Orinda? And that Orindans cut a paper back in 1941 when the signals were installed at the "Crossroads" (archaic word)?

One old-timer, George Adelson, can recall the pre-"Orinda" days when two roads intersected at Bryant's Corners in the "San Pablo Valley." Adelson was prompted to write "The Orinda SUN" after buying some Fiesta tickets.

While watching the constant stream of traffic from all directions at the new interchange, he recalls the five or six wagons he met on a day's trip in this vicinity. This was around 1900.

"I did see the East Bay when it wore short pants."

Another long-time resident of Orinda, "Mac" McVicker, recalls the yearly springtime celebrations in Fiesta style.

Fiesta-time began with an Easter egg hunt for the children at the Orinda Country Club and preliminary events continued for several weeks, with Orindans garbed in western-style dress.

The Big Day was celebrated with a parade of horses from all parts

of the county, drill teams and bands. The day was climaxed by a dance for everyone at the Orinda Country Club.

When signal lights were installed at the Crossroads in 1941 Orindans again devoted themselves to a "wing-ding," according to Stan Allen, who "remembers when."

The Orinda Fall Festival, as it was called, was sponsored by Orindans, Incorporated, the forerunner of the Orinda Association.

The sheriff's posse and horsemen's associations formed the nucleus of a parade which traveled from the Village across the highway to the Crossroads. A few booths lined Vashell's Alley and some concessions were on the scene. Saturday night Orindans went street dancing.

The big attraction on Sunday was a horse show on the lot now occupied by Sprouse-Reitz and the Orinda Hardware.

It seems like a long time between celebrations. Let's all have such a good time at this weekend's Fiesta that we won't have to wait for the dedication of an Orinda Hill's rock-terminal for the next celebration!

How Come Orinda Fiesta? Here's How Idea of Community Celebration Started

How come a Fiesta? This is the way Stan Allen tells it.

In January he conceived the idea of an all-community jamboree in celebration of the opening of the Orinda traffic interchange. Along with this was the thought that there might be some money realized from the big show which could be used to beautify the freeway.

A man of action, Stan called together about 25 persons representing interested civic organizations for a meeting at the Community Church.

FROM THESE representatives, Allen selected a group to comprise a steering committee. The steering committee chose Joe Creighton as its chairman and then appointed

a Board of Directors. For legal purposes the group incorporated, with Bill Fleener president.

All agreed that the primary purpose of the Fiesta be a good time for all—a chance for our growing community to get together on one big spree—something Orindans haven't seen for a long while.

POSSIBLY SOME profit might be gained by the Fiesta but, in view of a number of different interests for civic improvements, it was decided by the steering committee to postpone the decision of how it should be spent until after Fiesta weekend.

The function of the Board of Directors would then be to determine what community project is desired by most Orindans.

Parking District Board Organizes; Breed Chairman

Orinda Vehicle Parking District No. 1 has been formally organized, with Horace Breed as the first chairman of the board of commissioners. Breed said yesterday.

The district embraces all the business property on the Moraga side of the freeway, the Village business area and the newly-formed Planned Neighborhood Business District.

Ewart Phair and Stan Massie are the other two parking commissioners.

"We have two major problems, traffic flow and vehicle parking," Breed said.

He added, "Our first job will be to study and evaluate the recommendations of the traffic and parking survey made by the county."

A report on the county survey is expected in about a week, Breed said.

"Solving traffic flow and parking problems will depend in large measure on our receiving cooperation from the motoring public," Breed continued.

He asserted, "Business and the general public will be kept informed of our aims."

Moraga Via Work To Begin Soon

Improvement work on the entire length of Moraga Via between Glorietta and Ryeon Boulevards is expected to start next week, according to W. C. Dalton, construction engineer with the County Highway Department.

Norman Engineers of Lafayette is low bidder on the job at \$15,990.

Dalton said the improvements will consist primarily of resurfacing with asphalt. At various points on the road, rock base will be added and improvements made on drainage, he added.

Orinda G.O.P. Women to Tour State Capitol

Orinda Republican Women's Club members will view sessions of the State Legislature in Sacramento next Thursday.

The group will leave Orinda by bus at 8 a.m. and will be met in Sacramento by Assemblyman Donald Doyle.

Assemblyman Doyle has made arrangements for the group to tour the various capitol offices and to have lunch at the capitol cafeteria.

Further information regarding the trip may be had by calling Mrs. Wayne Bentley, CL 4-3640, or Mrs. Charles Fish, CL 4-5232.

Orinda Garden Club Awarded

The Orinda Garden Club is happy over results of its entries in the Oakland Garden Show.

Under the direction of Mrs. Ronald Schacht and Mrs. Edward Martin, the group that won ribbons in the arrangements division included Mrs. Paul Pollaczek and Mrs. Edward Rogers with their entry of "Ode to the Sun," an all yellow subject that caused much comment and admiration.

Other winners included Mrs. A. Pedersen, Mrs. F. Mulvaney, Mrs. W. Everts, Mrs. E. Dorresten, Mrs. J. Lang, Mrs. F. Crawshaw and Mrs. J. Conley.

A fourth queen contestant is Pat Camp. Jeanine is sponsored by the Moraga Meadows Improvement Association, Pat Kiernan by Orinda Park Pool, Bonnie by the Orinda Rotary Club, and Pat Camp by the Orinda Lions Club.—SUN photo by Mattson

THIS MAP of the Orinda Interchange vicinity shows some of the marking arrangements for Orinda Fiesta this weekend. Top of the map is west, going toward Oakland. Parking will be permitted on street outside the dotted lines and on shaded areas. There will be no parking in the areas within the dotted lines. The Sunday parade route is the shaded portion of San Pablo Dam Road, which will be closed to vehicles from noon to 2 p.m. Sunday. There will be no parking in Orinda Village from noon to 2 p.m. Sunday. The parade forms at the bridge in the Village.

HERE'S WHAT IT'S ALL ABOUT. Completion of the Orinda Interchange is the reason for the community-wide shindig known as Orinda Fiesta this weekend. This is a view at the Interchange as the \$1,800,000 job neared completion recently.—SUN photo by Mattson

PAT KIERNAN

PAT CAMP

Who Will Be Fiesta Queen?

Who will be Queen of the Orinda Fiesta?

Four lovely Orinda girls, sponsored by Orinda organizations, are in the running. Voting closes at 2 p.m. tomorrow.

The candidates are Pat Camp, Pat Kiernan, Jeanine Burris and Bonnie Nason.

Here's the way votes stood, percentage wise, as of yesterday morning:

Pat Kiernan, 17, sponsored by Orinda Park Pool—37 per cent.

The Jack Kiernans of El Toyonal moved from Oakland to Orinda six years ago with Pat, an older sister and brother.

Seventeen-year-old Bonnie Nason, sponsored by the Orinda Rotary Club—34 per cent.

With her parents, the Roy E. Nasons, Bonnie moved from Oakland to Orinda over 14 years ago. The Nasons now reside at 8 Valley View Drive.

Pat Camp, sponsored by the Orinda Lions Club—15 per cent.

She has lived 14 of her 18 years in Orinda since moving from Berkeley. Pat, one of four children, resides with her parents, Dr. and Mrs. Charles Camp, at 49 Hacienda Road.

Jeanine Burris, 20, sponsored by the Moraga Meadows Improvement Association—14 per cent.

Born in Joplin, Mo., Jeanine has lived in Wichita, Kan., and Oakland before moving to Orinda two years ago. She graduated from Oakland High School in 1933. She is the daughter of Mr. and Mrs. Ray Burris of 225 Overhill Road.

Dramateurs to Elect Monday

The Dramateurs will elect new officers at their meeting at 8 p.m. Monday in Fellowship Hall, Orinda Community Church.

Auditions for three plays to be given in July at Lafayette Town Hall were held April 22.

The little theater public will witness "in the round" presentations of "The Guardsman," "Gigi," and "The Fourposter," July 15-16, July 22-23 and July 29 and 30, respectively.

The productions will be under the direction of Carl Rasmussen.

St. Stephen's Group Elects

The St. Stephen's Woman's Auxiliary elected officers May 4 at a monthly meeting at the home of Mrs. Fred Kronke.

New officers are: President, Mrs. A. D. Henry; vice-president, Mrs. F. E. Hibbard; recording secretary, Mrs. P. Oyer; corresponding secretary, Mrs. E. J. Unruh; and treasurer, Mrs. M. G. Morgan.

Mrs. A. C. Hollister was chairman of the nominating committee. The devotion and the introduction were given by the Rev. Charles M. Hill, vicar of St. Stephen's.

The Rev. Dr. R. Rodenmayer gave a talk about the "effectiveness and place of women in the home as well as in the parish."

Mrs. R. Bigler, outgoing president, opened the business meeting with a vote of thanks to the hospitality committee for refreshments.

It was decided that the Woman's Auxiliary would assist the Orinda Fiesta by having a popcorn booth at the Crossroads tomorrow, the proceeds to be donated to the Orinda Fiesta Committee.

The next meeting will be held June 1.

Rites Held for Dewey L. Otta

Funeral services were held Wednesday for Dewey L. Otta, 56, of 128 Meadow Lane.

Mr. Otta, an electronics engineer, died in an Oakland hospital Sunday after a short illness.

Survivors include his wife, Lucille, a son, Dewey E., of Pleasant Hill, a brother, Earl, of Dallas, Tex., and two grandchildren.

Pandora Chapter To Mark Sixth Anniversary

Pandora Chapter of Children's Home Society will celebrate its sixth anniversary Monday with a tea at the home of Mrs. Robert Barton in Happy Valley.

The 35 charter members, including Mrs. Clarence Betz, Pandora's first president, and all inactive and associate members will be honored.

The tea will be preceded by a business meeting at 12:30 p.m.

Mrs. Robert Dozier is in charge of the event assisted by Mesdames Walter Haelele, Jack Pedder, Henry Wynne, Edward Walsh and Frederick Mulvaney.

Several members of the newly formed Fantastics, Children's Home Society's newest Junior group, will serve.

Pandora's new officers for the coming year are Mrs. Kenneth St. Clair, president; Mrs. Harry Lavagetto, vice-president; Mrs. Rees Paine, secretary, and Mrs. Henry Wynne, treasurer. They will be in the receiving line.

A.G.D. Mothers To Hold Potluck

Members of the Alpha Gamma Delta Mothers Club will have a potluck luncheon for their daughters at 12:15 p.m. today at the Berkeley Sorority House, 2424 Waring Street.

Following the luncheon the club will hold its regular business meeting under Mrs. F. D. Walsh, president.

Election of officers will take place and final arrangements will be made for the mothers' annual rummage sale to be held May 24 at Miller's Rummage Sales Room, 2049 San Pablo Avenue, Berkeley.

Rummage for the sale may be left at the Lafayette home of Mrs. L. E. Shirling, 945 Yorkshire Drive; at the Berkeley homes of Mrs. John S. Perry, 57 Domingo Avenue, and Mrs. A. E. Galigher, 10 Acacia Avenue; or may be left at Miller's Sales Room the day before the sale between the hours of 3 p.m. and 6 p.m.

Alpha Omicron Pi Has Show

East Bay alumnae of Alpha Omicron Pi enjoyed a luncheon and fashion show Wednesday at the chapter house in Berkeley.

The fashion show, which featured cottons in the summer theme, included a number of models from this area, among them Mrs. William C. Seifert Jr., and Mrs. Clement O. Ford of Orinda; Mrs. Henry A. Steinbach of Lafayette, and Mrs. H. Walker McKevitt Jr., of Walnut Creek.

Margaret Roe Is Engaged

The engagement of Margaret Rae Roe to Richard Allan Van Cise was announced recently at the Kappa Alpha Theta Chapter House at Oregon State College in Corvallis.

Margaret is the daughter of Mr. and Mrs. Hiram O. Roe of 893 Acalanes Road, Lafayette. Richard (Dick) is the son of Mr. and Mrs. C. E. Van Cise of Tillamook, Ore.

Margaret is a 1953 graduate of Acalanes High School and is now majoring in home economics education at Oregon State.

Her husband-to-be is majoring in industrial arts education. He is a member of Sigma Chi, national social fraternity.

The young couple will be married August 20 and will return to Oregon State in September to continue college work.

Area Garden Clubs Take Show Prizes

Oakland Garden Show officials reported today that several clubs from this area won prizes at the recently completed event.

Orinda Garden Club won a first, second and third in flower arrangements. Mrs. R. M. McNary of the club, entering as an individual, won a third in table setting.

Walnut Creek Garden Club won two firsts in novice large and small flower arrangements, and a second and third in the same classification.

Ramelli-Bowbeer Rites Held

Virginia Louise Bowbeer, daughter of Mr. and Mrs. Earl V. Bowbeer of Lafayette, recently became the bride of Robert A. Ramelli, son of Mr. and Mrs. Julian Ramelli of Strand Road, Walnut Creek.

With only the family attending, a lovely quiet ceremony was held at Queen of All Saints Church in Concord on the afternoon of April 23 with Father Edmund O'Brien officiating.

ANNETTE Ramelli the groom's sister, was maid of honor, and John Mozetti was the best man. After the wedding a reception was held at the bride's home.

The newlyweds took a brief honeymoon but have made future plans for a long hunting trip in the fall in Wyoming. Both are enthusiastic about hunting and the outdoors.

THE YOUNG RAMELLIS now make their home at 32 Parkland Drive, Walnut Creek. Bob works for the T and V Meat Company in Orinda. He graduated from Acalanes High School in 1953, and spent two years on the USS Boxer in the South Pacific just at the close of the war.

The groom's father, Julian Ramelli, is assistant manager of the Bank of America branch in Walnut Creek.

Nursery Dance Intermission to Star 'Hawaii'

An added attraction at the Orinda Nursery School dance May 21 will be intermission entertainment provided by the Nani Lao Dancers.

Scheduled to perform Hawaiian dances are Mesdames Elbert Wray, C. M. Fitzgerald, Ralph Hill, George Redmond, Carl Roos and Vernon Jones.

The informal dinner dance will be held at the Diablo Country Club. Cocktails will be served beginning at 7 followed by dinner at 9 and dancing will continue until 2 a.m., according to Mrs. David Lewis, dance chairman.

Gordon Heche's orchestra will provide the music. A table is being reserved for parents of alumni, who may obtain tickets by calling Mrs. Thomas Tibbitts, CL 4-5519.

Members of the association met Wednesday evening to hear Mrs. Peter Howard of Walnut Creek talk on understanding children's art work.

Hostess for the occasion was Mrs. Harold Neeland. Assisting her were Mesdames John Ramussen, Fred Braumoeiler, James Miller, John Bunce, William Leonard, William Weirich and William Brobeck.

Valerie de Laneux to Wed

A wedding of unusual interest on the local scene as well as in the sports world will take place on June 4 in Lafayette, Indiana, when Valerie Jeanne de Laneux, daughter of Mr. and Mrs. H. H. de Laneux of 1872 San Miguel Drive, Walnut Creek, becomes the bride of Thomas William Bettis from

Indiana, with a B.S. degree from the School of Science.

She graduated from Acalanes High School in 1951. She was well known as a swimming star during her school years in Walnut Creek.

FOR SEVERAL YEARS she was a member of the National Championship Crystal Plunge swimming team of San Francisco and has won several hundred medals and trophies in both individual and team events.

Presently she is captain of the Lafayette Swim Club which placed second in the women's senior nationals in Florida early this month. Last December she was a member of a relay team that set a new world record.

Valerie has won scholastic recognition in the form of membership in honorary societies Alpha Ambda Delta, Kappa Delta Pi and Delta Rho Kappa. She is a member of Goldpeppers, Upper Class Women's Activities Honorary Society; the Women's Athletic Association Council; Sportswomen Honorary Society, and Delta Gamma Sorority.

TOM BETTIS WILL also graduate from Purdue in June with a B.S. degree in physical education. He was captain of the Purdue football team and the Most Valuable Player for both the 1953 and 1954 seasons. He was captain and most valuable lineman, East Shrine North Team, Senior Bowl Game, last January; All American 1954; first draft choice of the Green Bay Packers in the 1955 draft, and a member of the Sigma Phi Epsilon fraternity.

The marriage will take place in Lafayette, Indiana, June 4, and shortly after the graduation the next day, they will depart on a short honeymoon. Tom reports to the Green Bay Packers the latter part of June.

Chicago, Illinois, co-captain of this year's East Shrine football team. The following day Valerie will graduate from Purdue University.

Donna Hornibrook Feted at Shower

In honor of Miss Donna Hornibrook who will become the bride of Rich Thomson on June 25, Miss Jan Crabtree and Miss Sandy Meyer entertained at a bridal shower April 28, at the home of Miss Crabtree's parents in Orinda.

Arrangements of pink and white carnations around the traditional bridal shower umbrella, which was arranged in pink, and the storybook dolls of the entire bridal party decorated the table, which was centered by a large cake, also in pink and white.

Guests included the honoree's mother, Mrs. Floyd Hornibrook, and Mrs. George Thomson, mother of the prospective bridegroom, and Mesdames Robert Crabtree, Milton Brooding and Alberta Meyer.

Also the Misses Charlotte Spencer, Hazel Cummings, Marcia Nordlund, Sally Brown, Lynne Teasdel, Pat Camp, Sharon Pierce, Pat Smith, Georgianne Watkins, Judy Crabtree, Jackie Fraser, Lois Enrico, Pat Morse, Carol Bekins, Janet Hansen, Doreen Oltman, Dawn Bottemley, Donna Christopherson, Caroline Bronson and Sandy Son-dag.

WC Juniors Preparing Show

The Junior Women's Club of Walnut Creek will give a variety show in honor of new members and members' mothers Tuesday evening at the clubhouse on Lincoln Avenue.

New members to be initiated will be Mesdames R. L. Smith, Robert Conner, L. S. Bennett Jr., E. V. Burror, R. McCyntick, R. C. Hungerford, R. W. Covert, Richard Snok and Roger Black. The initiation will be conducted by Mrs. Floyd Burror, president; Mrs. Robert Wise, vice-president; Mrs. William Hull Jr., membership chairman, and Mrs. D. C. Bell, advisor.

AFTER THE INITIATION Mrs. Wise will present the "Varieties of 1955." Acts will include: "The Charleston" danced by Mrs. Harry Hemstark, Mrs. Howard Parsons and Mrs. Edwin Robinson. A panomime skit by Mrs. John Fon-

tenrose and Mrs. Robert Shepperd, "The Can Can" danced by Mrs. Reed Bells, Mrs. Charles Pratt, Mrs. Forrest Wilson and Mrs. Ted Wilson, a solo tap by Mrs. Ted Wilson, and a skit entitled "The Shooting of Dan McGrew" directed by Mrs. Parsons. The players will be Mrs. Leonard Hopkins, Mrs. William McGeehon, Mrs. Ralph Combs and Mrs. Wise, with Mrs. Paul Bonilla as narrator.

THIS WILL BE the club's last social meeting until next fall. The installation of new officers will be held at their last business meeting on Tuesday evening, June 7.

Mrs. Pratt, newly elected president, and Mrs. Hemstark, recording secretary, will represent the club at the State Convention of the California Federation of Women's Clubs, Junior Membership at the Hotel del Coronado in Coronado.

Student Art Show Will Have Gay Carnival Decor

Plans for the student art show at the Valley Art Center May 26 through 29 are being completed.

Gaily colored plywood banners will be mounted on poles to give a carnival atmosphere, and Mrs. F. Funk and a crew of ladies have been holding work parties to do the painting.

Mrs. Raymond W. Fischer and her committee are mounting pictures and planning display of the art work.

MRS. J. P. GARRETTSON and Mrs. Glenn Max, general chairmen of the show, state they hope to make this first student art show an annual event.

"The show offers an opportunity to see what young people in this area are doing in the field of creative arts. Come prepared to see 'art in action' with students painting, screen printing, and doing pastels and ceramics," they assert.

The "do it yourself corner," will have materials available for budding artists to use.

Paul Flick, associate professor and director of teacher education at the College of Arts and Crafts in Oakland, will give a class demonstration with a group of children, on May 26. While the children are working, Sylvia Schueber, artist

Alpha Chi Omega Alumnae to Meet Thursday Night

Diablo Valley alumnae of Alpha Chi Omega sorority will wind up the formal year's program with a meeting Thursday, 7:30 p.m., at the home of Mrs. Richard F. Tharp, 19 Irvine Drive, Orinda.

New officers will be presented. Incoming president is Mrs. G. Wayne Bentley of Orinda, who announced today that plans are under way for a summer party at one of the member's homes.

Vice-president is Mrs. Frederic A. Sawyer, treasurer, Mrs. Edward J. Turk and "Lyre" editor, Mrs. Ernest Bony, all of Orinda. Corresponding secretary is William A. Herrmann of Walnut Creek and recording secretary, Mrs. Gilbert Haley of Lafayette.

Mrs. Harold Nielsen, recently moved to Oakland from Walnut Creek, is the retiring president. Other retiring officers include the Mesdames Lloyd A. Hecathorn of Orinda, James Pangburn of Walnut Creek and J. C. Smith of Pleasant Hills.

Main project this spring revolved around two workshops, organized by Mrs. Hecathorn, and which resulted in the completion of a good many stuffed dolls, button belts, number and word games and a variety of other self-help type toys needed by the cerebral palsied children at Shadelands School in Walnut Creek.

Patterns and ideas for the toys were taken from the national sorority's toy book, a guide specifically created for cerebral palsy victims. Mrs. Hecathorn was the instructor at both work shops, and later presented the toys to the school.

Any Alpha Chi Omega girls in the Diablo area, not previously contacted are welcome to attend the meeting and may call Mrs. Bentley, CL 4-3640, for information.

Guests Preview Father-Son Art

Guests who attended the opening of the new exhibit of the Valley Art Center, 3420 Mt. Diablo Boulevard, Lafayette, last night had an opportunity to meet the father-son team whose paintings were featured in the show.

Prize-winning works by Louis and Lundy Siegrist of Oakland, include oils, water colors and prints. They will remain in the Art Center until June 9 and may be seen Tuesdays through Saturdays between 11 a.m. and 3 p.m.

Among those who attended the opening were: Messrs. and Mesdames Edmund Barnett, Michael Czaja, Arthur Wagstaff and Frank Cashion, Walnut Creek; Hal Babbitt, Messrs. and Mesdames Leon Woolsey, William Spackman, Robert Babcock and William C. Hagens, Orinda; Messrs. and Mesdames Donald Holmes, Phillip Merrill, Charles Bosley, Duncan Knudsen and Dr. and Mrs. William Ornduff, Lafayette; Forrest Englehart, Clayton; and Mr. and Mrs. Claude Waldo, Martinez.

Currently at the First Savings and Loan Association, 1332 Main Street, Walnut Creek, is a Valley Art Center sponsored exhibit of charcoal sketches featuring landscapes and interiors by students of architecture at the University of California. The exhibit will remain until June 15.

Wine Tour Will Benefit Orphans

Historic Cresta Blanca Winery in Livermore will be the locale for a wine-tasting tour and buffet luncheon tomorrow to benefit a refuge for orphan boys near Milan, Italy.

Under the sponsorship of the Alameda-Contra Costa County Committee for Orphans of Italy, Inc., tomorrow's tour is one in a series of events planned to raise money for the Boys' Town at Casteletto Ticino, founded by an American-born priest, Father Carloni, to care for the countless orphans of war and its aftermath.

Mrs. Matteo Gavotto of Lafayette is the chairman of the local chapter of Orphans of Italy. She has as co-chairmen in Southern Alameda County Mr. and Mrs. Anthony J. Olivera, who will be hosts for the wine-tasting event.

Cresta Blanca's host, Alejandro J. Urbino, will preside over the tour, and last minute reservations can still be made with Mrs. Gavotto by calling YE 4-6887, with Mrs. Valentino Pera at CL 4-5522, or Mrs. Victor Sauer, YE 5-5594.

Chi Omegas Plan Swim, Barbecue Party Wednesday

Chi Omega East Bay alumnae will honor the graduating seniors of Mt. chapter, University of California, at a swimming party and barbecue on Wednesday at the home of Mrs. Frank Hart, 100 Overhill Road, Orinda.

Festivities will begin at 3 p.m. with an afternoon of swimming at the home of Mrs. J. Howell Turner, followed by a barbecue at Mrs. Hart's home next door at 6 p.m.

After dinner, informal talk will be given by outstanding Chi Omega alumnae.

The speakers will be introduced by Mrs. Edward P. Ward, alumnae president from Lafayette, and will include Mrs. Noel B. Lenahan, who will speak on community service; Mrs. O. E. Driggs, home economics consultant; Mrs. Julia Hamilton MacLead, archivist, Bancroft Library; and Mrs. Albert R. Rubey Jr., interior decorator.

Graduating seniors to be honored at the Orinda gathering include Gerald Beaver, Natalie Cake, Bernice Calvin, Janet Chantler, Barbara Clark, Carol Copeland, Leslie Creech, Bobby Eastwood, Ann Forsburg, Diane Frazier, Claudia Harper, Kay Holliger, Jean Mathieson, Lee Ralph, Jeanne Raynaud and Gail Wolfsohn.

Invitations which have been sent to 200 Chi Omega alumnae were issued by Mrs. G. Wesley Malkson and Mrs. Earl E. Larson. Program arrangements were made by Mrs. Charles R. Hoge and Mrs. E. Reuben Hatherly.

The committee arranging for the barbecue and decorations includes Mrs. Frank Hart and Mrs. J. Howell Turner of Orinda, and Mrs. Edward P. Ward and Mrs. G. Richard Burton of Lafayette.

Other Contra Costa members serving in various capacities include Mrs. William C. Anderson, Mrs. Frank Belcher and Mrs. Robert A. DeChene.

Alumnae may make reservations by telephoning Mrs. Ward before Sunday at AT 4-4139.

Thirteen Teachers Granted Tenure

Thirteen Acalanes High School District teachers have been granted tenure.

They are Elizabeth Bennett, Roberta Bristol, Merrill Callow, Heloise Corr, Barbara Cross, Shirley Frazier, Dale Hamann, Richard Mayes, John McLean, Eugene Melville, James Norton, Harold Oxsen and Jean Ridley.

Department chairman have also been named for the next school year for both Acalanes and Las Lomas High Schools.

THOSE NAMED at Acalanes are Robert Stevens, industrial arts; Josephine Ochoa, language; Margaret Nicholson, science; Bruce Handley, mathematics; Ruth Dyer, history; and Wilson Sanchez, English.

Las Lomas chairmen are Elizabeth Bennett, English; Mario Menesini, science and math; Lillian Boz, language; George DeKlotz, physical education; and Robert Pape, history.

Trustees heard a preliminary discussion of the district's budget for next year. Estimates reflect a rise of \$171,050 in the operating budget over current operating expenditures.

SCHOOL OFFICIALS attribute the rise to a seventeen per cent increase in enrollment next year, hiring of additional teachers, salary increases and the opening of Miramonte High in Orinda.

Emphasizing the school district's policy of "efficient operation," board chairman Ralph Hall stated, "The expenses of the current year are expected to drop about ten dollars, from \$400 to \$390 per pupil, compared to last year's per pupil cost."

CC Jewish Center Elects Officers

The continuing growth of the Contra Costa Jewish Community Center was further evidenced at a membership meeting held May 2 in the new center building, Lafayette,

when a Rabbi was put up for election and voted in by the membership for an initial period of one year.

Rabbi Ducoff who is presently Jewish chaplain at Travis Air Force Base was elected to the position of Rabbi of the Contra Costa Jewish Community Center by a large majority vote.

HE WILL BEGIN his permanent duties sometime in August when the official installation ceremony will take place.

Aside from his religious duties Rabbi Ducoff will also act as an organizer and leader of the cultural, educational and social activities of the Center.

At the same meeting election of officers for the new Center Board was voted on by secret ballot with the following result:

PRESIDENT, Fred Katzburg; vice-president, Martin Manders; treasurer, Bud Leiber; recording secretary, Mrs. Sydney Lifton, and corresponding secretary, Mrs. William Stolmack.

Four new directors also voted in were Mrs. Harold Bloom, Leon Co-

hen, Harry Schwartz and Merv Silverman.

The incoming president, Fred Katzburg, congratulated and thanked the retiring president, David Zuckerman, for the very fine work he had done during his two years in office, particularly with regard to the purchasing and remodeling of the Center building.

Zuckerman was presented with a gift of a photograph's screen by his board of directors as a token of appreciation.

Juniors Vote School Funds

The Lafayette Junior Woman's Club voted May 5 to send the proceeds from the fashion show held April 30 to the East Branch, School for Mentally Retarded Children.

The school has been the Juniors' main philanthropic project this year.

Members of the club attending the state convention in Coronado today and tomorrow are Mesdames Ralph Young, Joel Kitchens, Angus Crocker, Lee Hicks, Edward Allen, George Haber and Edward Firby.

Incoming President Mrs. Joel Kitchens appointed Mrs. Ralph Young as parliamentarian and Mrs. Vernon Adams as corresponding secretary.

Mrs. Kitchens also announced the appointment of 20 chairmen and co-chairmen to head the various phases of the club activity.

Camera Club to Hold Barbecue Tomorrow Night

Plans are completed for the Contra Costa Camera Club annual barbecue to be held at the home of Clifford Smith's of Judy Lane in Lafayette tomorrow night starting at 2 p.m.

An interesting program has been also arranged. The barbecue is open to members and friends.

Camera Club meetings are held on the second and fourth Tuesday of each month, in Room 502, Las Lomas High School, at 7:45 p.m. Beginners are invited to join.

Prep Track Meet Today

Diablo Favored To Repeat Its County Meet Win

Today's big event in local prep circles is the North Coast Section I track meet, which takes place at Mt. Diablo High, starting at 1:30 p.m.

Diablo, winner of the local county meet last Saturday, is favored to repeat today and then to turn its attention to the North Coast meet to be held at Cal's Edwards Field Saturday, May 21.

SWIMMING starts its county meet today also, with the diving competition getting under way at the Las Lomas pool.

The meet involves both sections of the Diablo Valley League.

Tomorrow finds the trials under way at 9 a.m., with the finals being run off in the afternoon.

Diablo rules the favorite in varsity and Bee competition, with the Acalanes Dons most likely to pull an upset, due to a number of potential first place winners.

It remains to be seen if the Dons' top performers can overcome Diablo's depth.

IN BASEBALL and tennis the two teams follow the same schedule.

Pleasant Hill faces the Dons at Acalanes next Tuesday in a game that will go a long way in determining final standings as far as the baseball pennant is concerned.

At this writing they were tied for tops with 5-2 records.

Next Thursday the Pleasant Hill nine tackles Pittsburg at Pittsburg and the Dons host Diablo in another pair of crucials.

Las Lomas faces Antioch next Thursday at Antioch, to wind up the season. The game here could well decide the team that goes into the tournament playoff, which involves the four top clubs in final standings.

LEAGUE GOLF next Monday finds Pittsburg and Alhambra at the Contra Costa Country Club, Las Lomas and Pleasant Hill at the Diablo Country Club, Antioch versus San Ramon at the Antioch course and Mt. Diablo meeting Acalanes at the Orinda course.

Next Wednesday a three-way swim meet is on tap for Acalanes, Pleasant Hill and Las Lomas, with the Acalanes pool the scene of action at 3:15.

On Friday, May 20, and Saturday, May 21, the swimmers who qualify in tomorrow's county meet go to Santa Clara for the North Coast Section meet.

Acalanes Tennis Men Beat Antioch

The Acalanes tennis team had its troubles in the windy city known as Antioch May 5, but racked up a 4-2 win after dropping two out of the first three matches played.

Jim Browning opened impressively enough in the first singles match against Antioch's Dean Brown when he took the first set 6-1, only to drop the next two 2-6, 4-6.

MORRIS BERGER evened the county when he took Damon Knight 10-8, 5-7 and 6-3.

Antioch went ahead when the Dons' Terry Ashe was felled by Ron Silvers 5-7, 6-4, 6-0.

JOHN HALL put the Dons in front, defeating Vic Grasso 6-4, 6-4 and Bob Steuben of the Dons tripped Antioch's Jim Green 6-0, 6-1.

Phil Dunn and Bill Deubner took a doubles match from Antioch's Grasso and Harry Westbrook 6-3, 6-1.

Kellys Contra Costa Opens as Firm's New Sporting Goods Store in Lafayette

Kellys Contra Costa, new unit of the well-known Kellys sporting goods and outdoor-living equipment firm, is staging its gala grand opening today through Saturday at 3707 Mt. Diablo Boulevard, Lafayette.

The former location of the Appliance Center has been extensively remodeled. According to President Austin Kelley of Kellys, the new retail store has 13,000 square feet of selling space and an ample parking area.

In charge of the Lafayette store is Cecil Kelly, vice-president of the firm.

AS PART OF ITS grand opening celebration, Kellys Contra Costa is offering \$1000 worth of prizes — with no contest involved and no purchases necessary. Drawing will be held Friday, May 27, 8 p.m.

Diablo Baseball Team Edges Nine Of Acalanes 4-3

The Acalanes baseball team was knocked out of sole possession of first place in the league standings Tuesday when they dropped a 4-3 decision to the Diablo Devils.

The game, played on the Concord field, found the Acalanes nine trailing 1-0 at the end of the first and then tying it up 1-1 in the top of the third inning, when Richard Markstein led off with a single, went to third when Red Jones doubled and came home with a counter on Andy Fadelli's single.

DIABLO CAME back strong in the third when they combined three hits and two Acalanes boots into a three-run rally, and that proved to be the ball game, as the Dons scored two more in the fourth but were shut out in the final three frames when hitters failed to come through in the clutch.

Red Jones was the losing pitcher, giving up but four hits and striking out three.

ROD ATNIP went the distance for Diablo, winning while yielding nine hits and striking out eight.

In the error column, the Dons had three, while the Devils posted three.

The loss threw the Dons into a tie with Pleasant Hill for the top spot in league standings.

Panthers Racked By Acalanes 17-8

The Acalanes Dons took another league game May 5 when they topped the Antioch Panthers in a 17-8 slugfest.

Despite indications of the final score, the Dons' win came the hard way as they were forced to come from behind in the hectic contest.

The Dons had 17 hits and three errors, while Antioch posted eight runs on nine hits and three errors.

Ram Nine Whiffs Las Lomas Team By 14-3 Score

The Pleasant Hill Rams maintained their winning ways and hung on to the number 2 spot in league standings when they patted the Las Lomas Knights 14-3 in a baseball game at Pleasant Hill May 5.

The Rams started off in good style as they posted a 3-0 lead at the end of the first inning, only to have the Knights come back in the second frame to knot the count 3-3 when they tallied a trio of runs of their own.

The issue was really settled in the third when the Rams went on a scoring rampage accounting for seven runs.

HIGHLIGHT of the inning was a triple by Steve Buckman with the bags loaded.

Ray Johansen, on the mound for the Rams, insured the win as he pitched shutout ball the rest of the way.

In fact, he threw two-hit ball, the hits coming when the Knights scored three in the second.

THE RAMS scored a run in the fourth, another in the fifth and added two more in the sixth, all of which added up to a 14-3 league win for Coach Lyle Palmer's high-riding charges who are currently in second place by a slim one game margin.

Johansen struck out four and walked four, while the Knights' pitching chores were shared by Don Schuppert, who fanned one and walked three, and Dick Stanley, who whiffed two and walked four.

Walt Robb paced the winners with three for three at the plate, to round out a 14-hit total.

Big Splash Due At Las Lomas Meet Tomorrow

By IRWIN MATTSON

Tomorrow is the big county swim meet at the Las Lomas pool. The titanic seems to be between Diablo and the Dons.

The Dons paddlers have had one of their roughest seasons, getting off to a slow start when Coach Tom Starnier was laid low with the mumps.

Since then they have never been really together as a unit, with someone always on the sidelines with an injury or illness.

The Dons have copped the county swim title for years but it will be an upset if they can come through tomorrow. They do have a number of top-drawer swimmers but lack of depth has hurt them all season long.

Pleasant Hill's Norm Frieberg and Diablo's Roy Hill, with a time of 4:41.4.

Acalanes took its only first in the pole vault when Coad went 11 feet, 10 inches.

IN THE LIGHTWEIGHTS, Las Lomas had two winners in Bryan, who took the high jump at 5 feet, 5 inches, and Weckerle, who copped the 660 at 1:28.6.

Acalanes had a winner in Jorgensen, who took the 1320 at 3:29.1.

THE SALE CONTINUES AWAITING THE DECISION OF THE CITY COUNCIL!

Read this News Story, reprinted from the May 6 Walnut Creek Sun, for details.

Louis Albert, owner of Bargain City, presently located in the former IDES Hall on South Main Street, asked the council to appoint a four-man committee to determine the structural ability of the building and pass judgment on its use. The council agreed that his proposal was in line with the recently adopted abatement ordinance and Mayor E. C. Counter was named to report the committee, which will report at the next council meeting.

April Mart Sales Larger Than 1954

Contra Costa Real Estate Board reports Mart Sales in April were \$935,050 with 63 sales, 34 of which were cooperative. This compares with April, 1954 when volume was \$676,590, 46 sales with only 20 of them cooperative.

Walter Friberg, program chair-

man of the real estate board, has completed arrangements for the next general membership meeting to be held at the Orinda Willows next Thursday.

Tickets can still be purchased for the Women's Division Hi Jinx party tonight, 8 p.m. at Walnut Creek's Veterans Memorial Hall.

There will be dancing and lots of fun, announced President Vera Foss.

Proceeds from the dance will be donated by the ladies to the Fund for Retarded Children.

Cummings to Talk Here on Planning

Chairman H. L. "Jack" Cummings, supervisor for the second district, will speak on "County Master Planning" at 8 p.m. Tuesday at a public meeting sponsored by the Central Contra Costa Democrats.

The meeting will be held in the Lafayette Community Methodist Church, 955 Moraga Road.

This is the second in a series of meetings planned by the club on problems of the rapidly expanding community.

The first of the series included talks by a member of the Utah Construction Company, the chairman of the Women's Planning Council and an authority on city and regional planning.

College Plans Homecoming Day

"The Atomic Age and Foreign Policy" will be the topic of Dr. Henry F. Grady, former American ambassador to Greece, India and Iran, when he appears before St. Mary's College alumni Sunday on the campus during the educational hour of traditional Homecoming Day activities.

John F. Henning of San Francisco, research director for the State Federation of Labor and past president of the St. Mary's Alumni Association, will introduce the former diplomat in Dante hall at 1 p.m.

Celebrated coincidentally with Homecoming Day will be Founder's Day, the feast of St. John Baptist de la Salle, founder of the Christian Brothers.

A solemn high mass honoring St. La Salle will open the day's program at 9 a.m. in the college chapel.

Brother W. Thomas, F.S.C., president of the college, heads the list of breakfast speakers that includes James Pegliotti, student body president, and Leonard A. Thomas, Marin county public defender and member of the silver anniversary class of '30.

New officers for the coming fiscal year will be elected at the annual general meeting preceding the educational hour.

The afternoon activities include art gallery and library exhibits, informal reunions, a baseball game between the St. Mary's varsity and alumni, and open house in the offices of alumni and public relations on the campus.

Benediction at 5:15 in the chapel will be followed by dinner in Oliver hall at which time the silver and golden anniversary classes will be honored.

Variety Show Tonight at St. Mary's College

"Gael Galettes," a variety show with a night club setting, will be presented at 8 p.m. today by members of the St. Mary's College Glee Club and staffmen of KHSM, campus radio station, in Oliver Hall on the campus.

The Glee Club will be under the direction of Bruce Handley of Lafayette and will feature baritone solo numbers by John Alexander, a student from Gooding, Ida.

Following the review, a dance will be held in De La Salle Lounge. Proceeds from the show will be used to purchase new records for the radio station library and new sheet music for the Glee Club.

Christian Science

That man's true selfhood is as a spiritual child of God — possessing dominion over sin, sickness, and mortality — will be presented at services Sunday in the Lesson-Sermon "Mortals and Immortals" in Churches of Christ, Scientist, at 1347 Locust Street, Walnut Creek, and 42 Orinda Highway, Orinda.

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following: "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and co-eternal with that Mind... Immortal man is not and never was material, but always spiritual and eternal" (336:12-16).

Scriptural selections will include the following from Psalms (1:1,6): "Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful... For the Lord knoweth the way of the righteous: but the way of the ungodly shall perish."

Women Planners Will Discuss Office Buildings

"The impact of the introduction of regional and administrative office buildings into a primarily residential community" will be discussed when the Women's Planning Council of Contra Costa County holds the second in a series of coffee hours at the Orinda Community Church Fellowship Hall next Friday at 9:30 a.m.

"All women who want to learn more about the factors involved in determining the land use for the central portion of Orinda are invited," said Mrs. Mitchell Farrar, chairman of the council.

She added: "Questions will be answered and the tax claims of P.I.E. will be objectively analyzed."

Orinda's long range community center requirements will be discussed, together with cost data for development of the public facilities required by a community with a projected population of 25,000 people.

Loan by Acalanes District Should Be OK'd by Voters

Voters throughout the Acalanes High School District, in addition to voting for school trustees, will take action next Friday that will have a far-reaching effect on future high school education in this area.

On the ballot will be the proposal for authorization of the Acalanes High School District to borrow up to \$600,000 from the state for purchase of needed school sites. A two-thirds majority vote is required for passage.

The SUN urges an overwhelming "YES" vote on this proposal. Reasons for such a vote have been amply detailed by the Parent Committee for the High School Proposal. Some of the key points stressed are:

1. With present enrollment expected to triple by 1960 and to reach 7000 by 1964, the district should buy two additional sites soon.

2. Undeveloped level acreage large enough for modern high school sites is rapidly disappearing in those sections where it will be needed.

3. Only that part of \$600,000 needed to buy sites will be borrowed. The loan will be repaid to the state over a 10-year period, at a low interest rate. The state funds come from money recently approved for this purpose by state voters.

4. This repayment would cause a rise of only a few cents in the tax rate. If the loan is not approved, taxes will be necessary to pay for later purchase of higher priced, less suitable land. Thus, approval of the state loan now will be a real tax savings.

5. All the money which can be raised through district bonding has been earmarked for building.

6. If a two-thirds affirmative vote is not given for the state loan next Friday, overcrowding and lowering of educational standards for pupils in our high schools will result.

Among those who should be most concerned are parents of students now in grammar school. For these students are the high school students of the future who will either benefit from the voters' wise action next Friday in approving the state loan proposal, or suffer from our short-sightedness in rejecting the proposal.

All voters, of course, should be sure to vote for school trustees in the various school district elections next Friday.

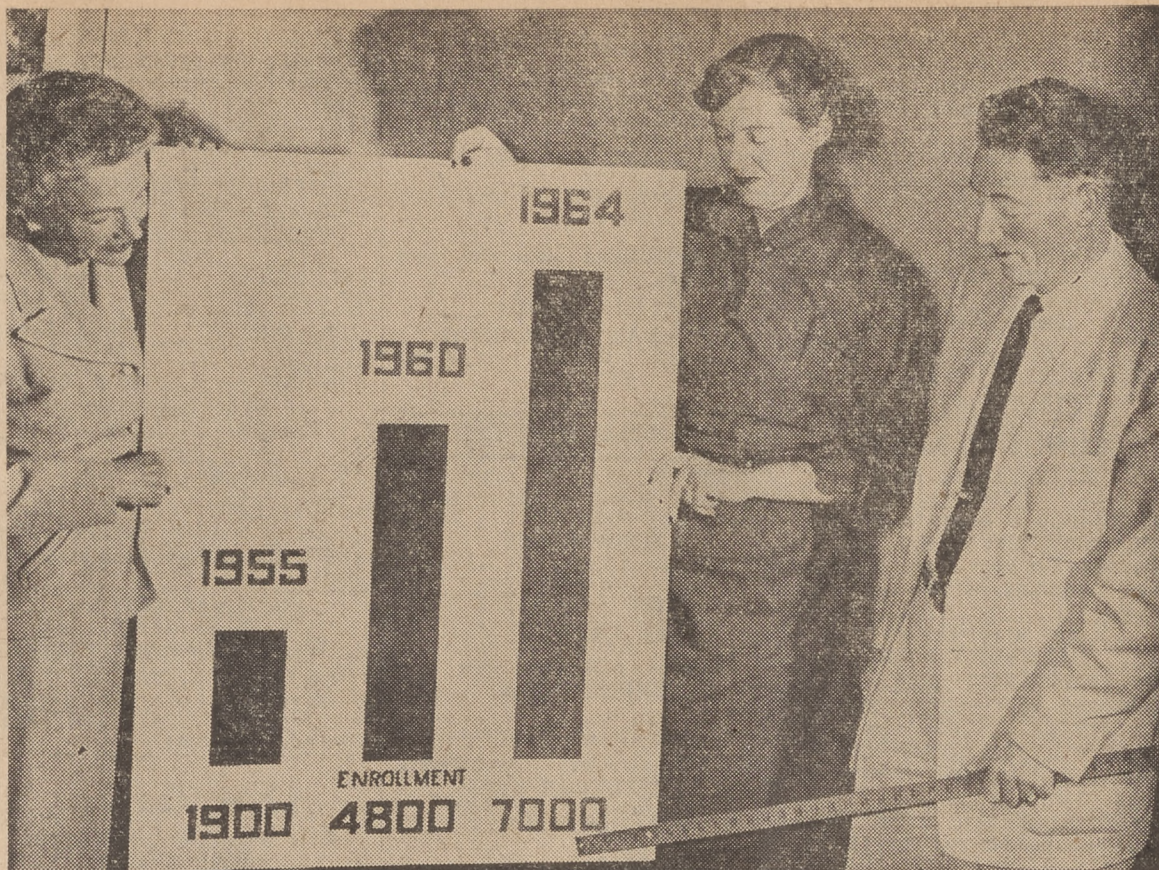

A healthy situation exists in that there are contests in a number of school districts. Thus, the choice of trustees in these cases should be based on consideration of the candidates' programs and accomplishments.

In that connection, we urge you to read carefully the statements of the various candidates in this issue of The SUN.

This is your community! Attend meetings, participate, vote. Read about what is happening.

ACALANES HIGH SCHOOL DISTRICT Superintendent Neil M. Parsons, right, shows, left to right, Mrs. Fred Seulberger and Mrs. J. E. Rinne the district's rising student enrollment and predictions of 4800 high school students by 1960 and more than 7000 by 1964. According to Acalanes District officials, rising enrollment is the chief reason behind the district's request for public approval next Friday of the proposal to allow the Acalanes District to borrow up to \$600,000 from the state to buy school sites while suitable sites are still available and before land development raises the cost higher. The bulk of students indicated on the chart are now enrolled in elementary schools within the Acalanes District. Mrs. Seulberger and Mrs. Rinne are members of the Parents Committee for Approval of the Acalanes High School District Loan Proposal. Two-thirds majority approval is necessary for passage of the proposal.

Legion Auxiliary Elects Tonight

The regular meeting of District 9, American Legion Auxiliary, will be held at the Parish Hall in the rear of the Catholic Church in Rodeo, tonight at 8:15, according to Mrs. Edith Cooney, president. Several additions to the District constitution and by-laws will be included in the order of business.

The annual pre-convention caucus and elections of officers for the District for the coming year will follow the regular meeting.

The president requests a full attendance of those who have been elected delegates to the Department convention, and owing to the length of the meeting, asks every one to be in attendance promptly.

Phone Book Changes? May 27 Is Deadline

Friday, May 27, is the last day for changes in the white pages of the new Contra Costa County telephone directory, H. C. Greenhalgh, manager at the phone company's Walnut Creek office, points out.

The new telephone book will be issued in June.

Parents Urged to Okay School Loan

Members of the Parents Committee for the approval of the May 20 ballot proposal to allow the Acalanes High School District to borrow money from the state to buy needed school sites, today encouraged parents of elementary children to vote "Yes" on the measure.

"THE CHILDREN WHO will be most adversely affected if this proposal fails are those youngsters now enrolled in the elementary schools, Mrs. Fred Seulberger, Lafayette Parent Committee member, stated.

"If there aren't enough sites to house these students when they reach the high schools they will be forced to get this schooling in unfavorable circumstances and overcrowded classrooms," Mrs. Seulberger said.

Spokesman for the Acalanes High School District pointed out Mrs. Seulberger's comments by revealing that including the present elementary enrollments, the Acalanes District enrollment is expected to triple by 1960 and rise as high as 7000 by 1964.

THE LOAN OKAY sought by the high school district would allow trustees to borrow up to \$600,000 from the state to purchase additional school sites.

High school trustees have already stated that suitable school sites are rapidly disappearing and that the cost of sites is mounting as improvements continue to be made to the few available areas still within the limits of the Acalanes District. Trustees want the money to buy the sites now or as soon as possible.

Trustee Ralph Hall described approval of the high school loan proposal as, "a long-range economy."

THE MONEY TO BE loaned by the state has already been approved by state voters, however, local approval is necessary before the loan can be made.

"Parents, especially parents of elementary students, are reminded that a two-thirds majority is required for passage.

"Every parent has the responsibility to his own children to be sure to cast an affirmative vote May 20," Parent Committeewoman Mrs. Seulberger declared.

Acalanes Teacher Gives Demonstration

Shop teachers from Contra Costa County Schools joined others of the Bay Area in an industrial education workshop last Saturday at Berkeley High School.

A general meeting was followed by 11 section meetings at which industrial and mechanical processes were demonstrated.

Among the participants was Robert Stevens, Acalanes High School instructor. Lafayette, who showed the actual construction of a miniature house and landscaping at the section on drafting.

George Chambers, supervisor of industrial arts in Richmond schools and president-elect of the California Industrial Education Association, addressed the luncheon meeting.

Letters to The Editor

Dear Editor: I had the rather dubious pleasure of attending a meeting, Monday night, May 2, 1955, at Acalanes High School.

To quote The SUN, "A public meeting to make definite decision on whether to institute recall proceedings against Chairman H. L. (Jack) Cummings."

I, AS A GOOD American, didn't believe such meetings could or would be held in America, especially in a public school. Much to my surprise and disgust the Citizens Committee for Better Government presented their arguments and abruptly closed the meeting, without allowing a single word from the other side. In fact the opposing citizens present were told to leave the hall.

This, in my opinion, is definitely a most un-American approach and can be classed with the Communist method of gaining the desired ends of a radical few.

THE MEETING WAS definitely a public meeting, held in a public place, for which there was no charge. There were present, as there should have been, both pros and cons.

To allow the pros to present their case and then cut it off has done the pros more harm than they could have bargained for.

I hope that every red-blooded American present saw how easily a small group can try to influence the many and will do their utmost to eradicate the blotch that is appearing on the record of Contra Costa County.

PAUL BAYARD

Dear Editor: Could you see fit to reprint the enclosed editorial?

(Editor's note: Here are excerpts from a May 3 editorial in the "Contra Costa Gazette," headlined "Is This A Travesty?")

"A recall movement against veteran Chairman H. L. (Jack) Cummings of the Contra Costa County Board of Supervisors was initiated Monday night at a meeting called by Orinda and Lafayette residents whose deep-seated grievance appears to be based upon the fact that county officials have not solved, in advance, the problems created by the population rush of which they are a part."

"To our mind, the heart of this issue is implicit in the very fact that Joseph Zabolocki, the principal spokesman for the element seeking recall, has been a registered voter in Contra Costa County for 21 years—since April 11, 1935. The name of another of the four hot-eyed reformers, who, while holding a meeting in the public Acalanes High School Monday night refused Supervisor Cummings the right to speak from the floor and declared their meeting closed to all but those seeking Cummings' recall is not carried on the county's tax rolls as a taxpayer."

"We now have the anomalous situation in which a veteran official, long known for his devotion to the progress of his county, is being pilloried by self-proclaimed leaders who do not want to see progress of any kind, if it interferes with their new found country living."

"We have the situation, revealed only this week by the Contra Costa Development Association, in which an electronics firm, that would have brought employment to 150 highly skilled professional workers and assumed a substantial proportion of the area's tax burden, was discouraged from locating in Moraga by this obstructionist attitude. We have also the spectacle of the Pacific Intermountain Express Company being similarly discouraged from erecting a \$750,000 office establishment, with payroll for 270 persons, in the Orinda area."

"All appearances point to the termination of a relatively small group of Orinda area residents to make certain that county officials play the game according to local rules or there will be an attempt made to get new officials who will be 'yes' men. The group is evidently serving notice on all officials to that effect. They indicate their ruthlessness and crudeness by disregarding the good old-fashioned American method of 'fair play.' The 'condemned man,' Jack Cummings, was refused the opportunity to speak and face his accusers."

Under The Sun

By Herman Silverman

Practice what you preach!

A week ago Thursday News Editor Dick Osborn and I were in the shop making up the papers. About mid-morning we heard the wail of a siren. I didn't know what it meant and Dick thought it was "Civil Defense all-clear."

As you have read, that siren was an air raid alert—and not a test. We were just two of millions who paid no attention to the warning. It was a big story. It could have been the last story for many of us had it been the real thing.

Much has been written how this event points to the tragic weakness of our civil defense. We have published news stories, columns and editorials on the need for civil defense. I have criticized public officials for apathy and inefficiency regarding civil defense.

But, as an individual, I failed miserably—not even being able to recognize the warning. (Eleanor, the good wife, has stocked food, first aid supplies and tries to keep gas in the car, as per C.D. instruction.)

What is the moral of the story? I am not sure, except it seems obvious that Mr. Private Citizen must realize the seriousness of the situation if he is to survive a possible air attack. Mr. Private Citizen is you and me.

The 4-bell prediction

Early in January, after Sheriff Harry Brown took office, I gave forth with a four-bell prediction—that the entrenched forces in the county would give him a bad time. For awhile it looked as if my prediction was all wet since the supervisors and other officials seemingly were cooperating with the sheriff to improve the department. (Incidentally, cooperation is a two-way road and I believe that Brown could be more diplomatic and perhaps get farther with his fellow officials.)

In any event, the honeymoon was soon over. Within a month it looked like everything was being done to discredit him and make him fail in his attempt to establish an efficient law enforcement office.

His attempt to discharge George Burton was, of course, a major set back. The Civil Service Commission, which is certainly no friend of Brown's, concluded that most of the charges against Burton were well founded—but that Brown couldn't fire Burton because he failed to reprimand Burton.

Politics or efficiency?

Now Brown has suspended two deputies for a few days each for breaking several important rules of the department, such as not being on duty when they were supposed to. Again, cries of "politics" and "revenge" are being raised against Brown. Two attorneys, George Gordon and Bob Condon, have volunteered to defend the deputies before the commission.

I have heard the word has been passed to deputies not to worry too much, because they will be defended without fee by these or other attorneys, whenever the occasion arises. This smacks of promoting mutiny or shall we call it anarchy. But whatever it is called, it is not good for the county.

Wednesday the Civil Service Commission denied two more of the sheriff's requests. The more important was for the establishment of a position of confidential assistant to the sheriff. Almost every major county in California allows its sheriff to appoint one person as his assistant and who is not under civil service. This was a reasonable and necessary request. But the answer was no.

The old four-bell prediction holds: they want to see Sheriff Brown fail.

Whose opinions are they?

One of our staffers suggests we run a paragraph at the top of letters-to-the-editor, stating that the opinions expressed are those of the letter writers and not of the newspaper. This we will do because some people believe that whatever a newspaper prints is its own policy.

Let me reiterate: a newspaper prints statements from organizations and/or individuals, regardless of whether the paper endorses the idea, opposes it or doesn't have an opinion. That is the job of a newspaper.

End of lecture.

Letters to The Editor

parently are unaware of the fact that the county's planning problems were created by the rush-to-the-country movement which brought most of them to this area of the East Bay...

"All appearances point to the termination of a relatively small group of Orinda area residents to make certain that county officials play the game according to local rules or there will be an attempt made to get new officials who will be 'yes' men. The group is evidently serving notice on all officials to that effect. They indicate their ruthlessness and crudeness by disregarding the good old-fashioned American method of 'fair play.' The 'condemned man,' Jack Cummings, was refused the opportunity to speak and face his accusers."

FREDERICK C. KRACKE

Dear Editor: I should like to express a few thoughts which have troubled me since "that" meeting, Monday night, May 2, at the High School. I attended partly out of curiosity but mostly because I wished to satisfy some questions regarding the propriety of such action as that being propagated.

The relative merit of the "Bill of Particulars" against Mr. H. L. Cummings I should not wish to weigh, since such is not the intent of this letter. An analysis of a representative segment of the audience, however, is very pertinent to the basic problem of "What Makes Sammy Run."

There was a very large element at that meeting which made its presence known far more by its vociferous and inappropriate behavior than by its mere mass. These men constituted an articulate segment of the membership of the real estate and the contractors' groups. It is singularly significant that the, literally, loudest protesters and most emotional defenders of Mr. Cummings are those who so obviously stand to lose so much by the removal of this man from the Board of Supervisors.

Whether Mr. Cummings has been right or wrong in his past decisions has ceased to be an issue. This has been overshadowed by the glaring fact that his decisions have too often been blatantly and defiantly in contrast with the expressed wishes of his constituents.

The charges of "undemocratic" and "fascist" methods were hurled about the other evening, mingled with some rather choice invectives. I feel it appropriate to defend the committee's decision in this matter. It may well have been, at one time, their intent to debate openly the issue at the announced "public" meeting but it soon became evident that nothing was to be gained for anybody by engaging in frenzied, emotional, illogical argumentation. This meeting, then, was redesigned to be the committee's "call-to-arms" for supporters of like thought and sentiments. This was their privilege.

Mr. Cummings was recently quoted as saying that, after 22 years as a supervisor, people "all of a sudden" are turning against him. The fact that 20 years or so ago "Jack" was an average, or even better than average supervisor or shall not be argued. The pertinent fact is, however, that he may be the same "old Jack"; but the county isn't. The county has progressed to be one of the most heavily populated and, to a great extent, industrialized areas of the state—and Jack is still back in 1935!

Children's Matinee To Feature Houdini

The Children's Approved Matinee tomorrow at the Park Theater will be "Houdini," the story of the great Houdini in his career as a magician, a look at his extraordinary mind-reading and hypnotist.

The show starts at 2 p.m. and doors open at 1:45.

Education Group To Air Opinions On Year's Work

Wednesday will mark the first anniversary of the Lafayette Citizens Education Committee. After Chairman Moore calls the meeting to order at 8 p.m. and the election of officers is held, Moore will open the meeting for discussion on the topic: "Has the committee been worth it?"

The incoming officers are asking for suggestions for improvement, and some changes in the committee plans will be announced, according to Moore.

The meeting will be at Lafayette School auditorium. Officers to be elected, if there are no further nominations from the floor are: Chairman, Boardman Moore; vice-chairman, Mrs. Robert Brattain; recording secretary and publicity, Mrs. Robert Lockey; program committee, Ben Harris; Robert Trask, Mrs. Duncan Knudsen and Dr. Herbert Enos.

The position of corresponding secretary-treasurer is still open. Nominations from the floor for this position will be welcomed. The committee urges everyone "to come and air opinions of the past year's record."

Masons to Confer Second Degree

Candidates of Acalanes Lodge 723, F&AM, will receive the Second Degree of Masonry at Tuesday night's meeting at the Veterans Memorial Building, according to Bayard H. Burnett, master.

The meeting, which will be opened at 7:30 p.m., will be followed by refreshments.

All Master Masons in the area are cordially invited.

Ms. and Mrs. William M. Greuner of 877 Broadmoor Court walked off with championships in the men's and women's divisions of the Northern California Archery Tournament recently in Sacramento.

According to local archery enthusiasts, this was the first time in the history of the tournament that a man and his wife won both divisions.

The trophy winners are members of the Redwood Bowmen and have their own practice field on their property.

The state archery tournament will be held July 4 at the Redwood Bowmen's range in Redwood Regional Park.

Student Dancers Hold Contest

Barbara Sawyer and Paul Jensen won the dance contest Monday night among the sixth grade social dance group under the chairmanship of Mrs. Dana Hamlin.

It was the group's final party of the year. About 60 parents enjoyed the fun along with their dancing youngsters at the Stanley School multi-purpose room.

Mrs. John Grobe is in charge of the dance programs conducted for elementary and high school students in the area.

Barbara won a sterling silver identification bracelet and Paul got a gold filled tie clasp.

Go to Church Sunday

Episcopal

Young people of St. Stephen's Episcopal Church have scheduled all religious and social activities to take place before the summer vacation period, according to Peter St. Hill, president.

Investiture of four new acolytes will be held during the 9:30 family service Sunday morning, when Frank Hibbard, Larry Hunn, James Gilwee, and Jeff Schwark are accepted into the local chapter of St. Vincent's Acolyte Guild, the national Episcopal organization for young men assisting at church services.

Also on Sunday, two delegates from St. Stephen's will attend the annual meeting of the Oakland Youth Convocation at All Saint's Church in San Leandro, from 4 p.m. until 10 p.m., under the guidance of the Rev. Henry Praed.

Peter St. Hill and Carl Lincoln will represent the local mission, participating actively in the business session and election of new officers.

The long-planned Young People's Fellowship progressive dinner has been slated for Sunday, May 22, starting with the salad course at the home of Kenneth Matson.

Susan Murray and Georgeann Watkins will offer the entree, and the whole group will convene for closing dessert and dancing in the undercroft of St. Stephen's, with Judy Hill, Donna Tunicliff, David Oakley, and Larry Pilcher handling arrangements.

At the last meeting this semester, all 30 members of the Young People's Fellowship will meet on June 12 at 6 p.m. for a dinner in the church undercroft, with youngsters from the eighth grade as honored guests, and potential Y.P.F. members.

Following this closing dinner, discussion of teenage problems will be held, and dancing will close the evening.

Young people from the Fellowship will join the Seabury Couple's Guild in a clean-up session May 21 from 10 to 12 a.m., in preparation for the annual St. Stephen's picnic on the oak-shaded promontory below the church.

Under the chairmanship of Dr. C. C. Chappell, anyone wishing to help is asked to bring a rake or a hoe, and lunch. Mechanized tools for cutting will be provided by the church.

Lutheran

"When We Pray" will be the topic of Pastor Merle Tollefson's sermon Sunday at Our Savior's Lutheran Church, 1035 Carol Lane.

Sunday School is held during both church services, fourth grade through high school at 9:30 and pre-school through third at 11 a.m. service.

The Junior Luther League, composed of students from the seventh and eighth grades, will meet Sunday at 7 p.m. for a ball game on the church grounds, followed by devotions and a talk by Pastor Tollefson.

The Senior League will meet at 7 p.m. in the social hall.

Tonight the pastor will meet with the Adult Inquiry Class to discuss "The Problem of Evil." Tuesday at 8 p.m., the Young Mothers Club will hold its monthly meeting at the church and see a movie on "Family Life." The Junior Confirmation Class will meet tomorrow at 10 a.m.

Catholic

St. Perpetua's Catholic Church on Hamlin Road, will have masses at the following times on this, the fifth Sunday after Easter: 7, 8:30 and 10:30 a.m. and 12:15 p.m.

Fifty-four children will receive their First Communion at the 8:30 mass, following which there will be a May procession and crowing of the Virgin.

On ascension Thursday, May 19, a high mass will be celebrated at 8 o'clock in the evening.

Covenant

The Rev. Art Zylstra, from radio station HOXO, Panama, will be guest speaker Sunday at the 11 o'clock worship at the Lafayette Covenant Church.

"Surveying the Scriptures," studies in the Book of Genesis, will be

Dedicated to the sacred memory of the living spirit of the beloved dead.

Boy Recovering From Eye Surgery

Recuperating successfully after an eye operation is Michael Minich, 3½-year-old son of the Sam Minichs of Mildred Lane.

This is Michael's second hospitalization since November, when he was hit while riding his tricycle by a passing vehicle and suffered a fracture.

This time a grass clod was the cause of injury, and Michael's many friends hope it will be his last unpleasant experience and that he will be well soon.

Lutheran

"Living In Two Worlds" is the sermon topic the Rev. Edward R. Andersen of Shepherd of the Valley Lutheran Church has chosen for his sermon at the 8 and 11 o'clock services.

Sometimes it seems impossible to reconcile the difference between our Christian teachings and the actions which go on in our country and our world; however, we believe that God has given us an answer to this problem. People can live in two worlds," said Mr. Andersen in outlining his sermon.

The Sunday School meets from 9:30 to 10:30 and the Confirmation Class of this year will present the program. There is also an adult class for parents who bring their children.

Stanley Pedder, 72, Dies in Sacramento

Stanley Pedder, 72, of Carmel, former resident of Lafayette and Berkeley, died April 28 at the home of his son Richard in Sacramento. The elder Pedder and his wife were visiting Richard.

A well-known corporation attorney of San Francisco and the East Bay who had retired to Carmel, Stanley Pedder is survived by his widow, Mabel Pedder of Carmel; his sons, Jack and Robert of Lafayette and Richard of Sacramento, and a daughter, Mrs. Constance Ferguson of Berkeley.

Private funeral services were held in Sacramento.

Letters to The Editor

(Editor's note: Following is a copy of a letter sent to the Pacific Intermountain Express Company, dated April 22, by F. B. Fernhoff. The copy was sent to this paper by Mr. Fernhoff.)

Gentlemen:
I live at 3 Orchard Road, Orinda. I have received one of your brochures in which you set forth your proposed plan to put your administrative offices in Orinda, and showing sketches. It is indeed a very pretty picture from the point of view of industry.

We moved to Orinda to make our home in a rural community, where we spend our holidays and weekends, hoping to keep these rural surroundings, but for some reason or other certain people in industry seem to think it is necessary to move their industry into an area which is primarily for homes and an area where the people owning homes desire to keep it that way.

IT IS NOT the plan you propose for the physical plant of your administrative offices that is objectionable, it is the fact that the industry being there brings so many people to work there, to and from it, causing more traffic on our roads and eliminating to a further extent the residential character of the area.

More people brought there and employed there brings about the necessity for more commercial facilities to take care of their needs. We recognize that every residential area far from the commercial district requires its own retail district necessary to take care of its own residents, and that is all the business that should be in such area.

We cannot for the life of us see

why you people insist upon intruding with your administrative offices into an area that is primarily residential when there is so much industrial and commercial area throughout both of the counties of Alameda and Contra Costa already set aside for business.

THE ORINDA district is practically the only prime residential and rural district left in the central part of the state of California.

Your persistence and that of any other industry in insisting on locating your administrative offices is not essential to the operation of your or other businesses and is purely a whim of management. The objections made are not opposition to progress, for progress has nothing to do with it. There are plenty of industrial and commercial areas where you can still place these facilities.

Very truly yours,
F. B. Fernhoff.

(Editor's note: Following is a copy of a letter sent to Orindans, incorporated, dated April 20, by Ronald T. Larsen. Larsen sent the copy to this paper. He discusses the Pine Grove matter.)

Gentlemen:
Like many other Orindans, I have today received a brochure from the Pacific Intermountain Express. It would seem to me that any corporation that would take the trouble to present plans for their future home and go into details as they have done in this brochure should certainly be an organization that any community could be proud of.

The plans for their administrative office are very attractive and

would definitely be a credit to the community.

No community is any stronger than the institutions that support it, and I would be interested in knowing what the objections of the opposing elements are to such an enterprise.

If we are to become incorporated, the taxpayers of this community will need the help of this additional revenue.

It is my opinion that if all this unnecessary resistance to the admission of such an enterprise as the P.I.E. could be directed to improving our transportation facilities such as the disgraceful Pacific Greyhound Depot accommodations — it would be a great deal more helpful.

It seems to me that the people of Orinda should be entitled to at least the courtesy of a raincheck, to say nothing of having to walk a couple of unnecessary miles to catch our flag-stop buses, and paying for the privilege.

Sincerely,
RONALD T. LARSEN

Scout Salute...

Brownie 'Flyup'

Brownie Troops 2, 12 and 101 will "fly up" into Scouts May 24. Their leaders, Mesdames Edward Law, Robert Creighton, Raymond Horne, Herbert Nilmeier, Ralph Schneider and Charles Currier, will conduct the ceremony.

It will be held at the Glorietta School all-purpose room at 7:30 p.m. Girl Scout Troop 7, led by Mrs. Frank Shirey, will present the colors and lead the national anthem. A short talk will be given by Mrs. Ernest Fernsten, district chairman. Brownie Troops 261, 129 and 262, led by Mesdames G. Bruce Montgomery, Frank Leibold and Melvin Colwell, will then sing a farewell song to the fourth grade Brownies. The girls will receive their Girl Scout pins and wings at a candle-light ceremony.

Ties will be presented and tied by the girls' fathers, after which the new leaders will be introduced: Mesdames Don Williams, Harry Minor, D. Smith and Robert Creighton.

Refreshments will be served.

Cub Pack 225

The boys of Cub Scout Pack 225, Orinda, were busy this past month working on their awards. They have also enjoyed baseball practice on Saturday mornings under the leadership of Cubmaster Ed Withners.

Three new Bobcats were taken into the pack at the meeting Friday. They are Tommy Locke, Billy Ashworth and Phillip Kooreman.

A Webelos ceremony was conducted for Dan Withners, Stephen Hall, Perry Smith, Newton Hildebrand and John Buchter. Stephen Hall was given a Boy Scout Handbook to mark his graduation from the pack and entry into Scouting.

The following boys attained the rank of Wolf: Mike Thor, Richard Meurk, Barry McLeod, Larry Livingston and Ronny Ganiats. Bear awards were given to John Spinola, William Pariani, Steve Smith, Ron Hudson and Mike Halbert. Lion awards were attained by Charles White, Don Chapman and David Mossoto.

Second Year Stars were awarded to David Mossoto and Stephen Thomas.

Gold and Silver Arrows were given to Mike Thor, Raoul Yriberri, Bill Huggert, Barry McLeod, Richard Meurk, Jeff Kingston, Bill Rowe, Charles White, Dick Shirey, Fini Thrane, Terry Bell and Stephen Gulick.

Also, Dick Brown, Jack DeWitt, John Spinola, William Pariani, Steve Smith, Mark Bauhofer, Kerry Davis, John Dimpfel, Ron Hudson, Frank Thaxter, Tommy Ballard, Richard Stevenson, Billy Moore, Don Chapman, Glen Tobias, Tommy Eggertson and Mike Halbert. Also, Kenny White, Merle Hopper, Jimmy Trumbly, Don Littleton, John Buchter, Dan Withners, Newton Hildebrand, Perry Smith, David Mossoto and Jimmy McNamara.

Cubs' Circus

The Cub Scout circus came to town as Cub Scout Pack 212 met Friday at Fellowship Hall.

The boys displayed their talents with a circus band, "wild" animals, dancing horses and side show performers including the two-headed man, fat lady, strong man and the headless man. Clowns gave out balloons to the young ones in the audience.

Leading the flag salute were Jay Jacobus and Steve Beckett. Cubmaster Carl Dudley told of summer plans.

It was announced that there is room in the pack for boys between 8 and 11 years of age. Inquiries should be made to Mrs. Lee, CL 4-3183, or Carl Dudley, CL 4-3029.

The following boys received awards: Steve Beckett and Jay Jacobus earned their Lion; Winston Cundiff, gold and silver arrows on Wolf; Tim Pardini, gold on Wolf; Ted Schilling, silver arrow on Wolf; Danny Williams, silver arrow on Wolf and Denner stripes; Steve Brush received his Denner stripes; and Greg Adams and Jay Angelo received Assistant Denner stripes.

Next month's pack meeting will be as usual, the second Friday in June.

Cub Pack 52

Thirteen boys won new ranks and many more were awarded arrows at the last formal Cub Pack 52 meeting of the year April 28.

Glen Burdge was the only new Bobcat, although Pack 52 also welcomed a transfer Bobcat, Michael Harnish, from Pack 96 of Berkeley. Riley Beckett, Sammy Galvin, Michael Harnish, Larry Layne, Peter Venturini and Paul Meyer became Wolves. Tom Booth and Roy Porfido passed their Bear rank. John Vallens and Don Hildebrand are new Lions, and Terrill O'Connor and Keith Jacobson have become Webelos.

The cubs and their parents are looking forward to June 4, when their annual picnic will be held at Redwood Regional Park. The last awards of the year will be given, delicious food prepared by the cubs will be served, and games played.

Tilden Trip

Members of Orinda Brownie Troop 179 enjoyed a field trip recently to Tilden Nature Area. They took the Nature Trail hike and saw the exhibits at the museum.

Those participating were Tonie Ayers, Bonny Beasley, Nancy Casey, Anne Cunningham, Ellen Goldsmith, Betty Lou Leibold, Carol Mansonen, Karen Nattress, Celeste Smith, Ann Waters, Anne White, Mrs. Frank Leibold, leader of the troop, and Mrs. H. S. Beasley.
